DISAGREE WITH THE STATE BOARD

**County Board of Review Does Not
Feel That Amount of Persons
Taxes is Valid Debt**

QUESTION NOT RAISED HERE

**However, Local Officials Feel Rul-
ing From Attorney General
Would be of Interest Anyway**

Members of the Rush county board of review do not agree with the state tax commissioners and Charles J. Orbison, counsel for the board, in ruling on a Bartholomew county problem in which the question was raised as to whether the amount of a person's taxes constituted a legal debt and should be deducted from the amount of the assessment.

The tax board's attorney held that unpaid debts are a debt and can be deducted by the taxpayer from the amount of listed taxable property, such as mortgages, annuities, etc. The local board does not believe this to be the case and although the question has not been raised here, an opinion from the attorney general would be of interest.

The question arose from claims made by taxpayers before the Bartholomew board of review and as the thing looked pretty big to the county assessor and board it was referred to the state board and in turn was passed on to their attorney. Orbison understood the matter fully and thought that everybody should have the same understanding.

In his answer giving his opinion he said that he regarded "that the party had a right to make such deduction and that taxes due the state constitute a bona fide indebtedness against the property the same as a debt owing to the party by any individual."

The impression then got out that the taxpayer had the right to deduct the amount of his taxes from the total assessment of his property. If that were the case it was then asked, why can't a man deduct the amount of his annual water bill, and the amounts of other bills that he knows are as certain as the rising sun, from his assessment? The situation showed a large field of possibilities and Orbison was appealed to again.

It was then that he explained that his ruling referred only to mortgages and annuities and had no connection with personal property or real estate. He stated that personal bills could not be treated in the same way because they are not debts until they become due. Taxes become due, he said, after March 1 and then to be classed as debts.

Members of the board of review here recalled a time when the amount of a man's taxes were classed as debts and deducted from the assessments on personal property, especially money. It used to be common, they stated, sixteen or seventeen years ago for a man to give in his money for taxation and then deduct the amount of the taxes. Now the people draw their money from the bank and pay their taxes before the first of March in order to avoid the assessor. This old custom was abandoned because people took advantage of the assessor and many times gave in the amount of their taxes to be deducted higher than was actually the case.

Ray Strode of Milroy, formerly of this city, has been awarded the contract for remodeling the Sandusky school building for \$620. The auditorium of the building will be divided into two rooms for class rooms.

WEEDS KEEP UP WITH CORN

**Farmers Say Latier is Growing
Rapidly Because of Much Rain**

Farmers whose idleness has been forced on them by the continued rain and who were in Rushville today declared that the corn was growing rapidly due to the heavy downfall almost every day for two weeks. And in the meantime, they declare, the weeds are keeping apace with the corn and give promise of thriving just as well. Farmers are anxious now to get into their fields and plow at the first moment. But, as one farmer remarked today: "I have grown lots of good corn crops in wet seasons, but I never had one in a drouth."

COURT TERM TO END ON JULY 1

**Next Several Days Will be Busy
Ones Because Cases Are Set For
Almost Every One.**

STEWART WINS JUDGMENT

Judge Sparks heard the case of Charles Bridges against Elmer Stewart this morning and found for the defendant and assessed the costs against the plaintiff. The suit was to recover on a judgment, the demand being \$325.

The suit of Arthur Snider, by his next friend, Frank Snider against Carl McCarty was dismissed by agreement at the costs of the defendant. The suit was based on an account and the demand was \$100.

Judge Sparks has fixed July 1 as the final day of this term of court. Court will adjourn on this date for the summer vacation and will be "dark" until the first Monday in September, when the September term will open. The remainder of this term promises to be busy as cases are set for almost every day.

RUN INTO HERD OF CATTLE ON A HILL

**Automobile Knocks Two Over Em-
bankment and Third Lands on
Radiator, Kicking Violently**

FRED CLEVENGER IN THE CAR

Meeting a herd of cattle on a sharp curve on Bunker hill yesterday afternoon, Marlan Freeland of Greensburg and a party of friends, including Fred Clevenger of this city, in an automobile figured in an accident which for a time looked serious. The heavy machine was coming down the hill, and suddenly rounding the curve in the center of the hill, ran into the herd.

Two of the steers were hurled from the road, plunging over the steep embankment. A third steer was thrown across the radiator, smashing the windshield and damaging the engine, hood and fenders. The steer on the radiator kicked violently, knocking the driver's hat off and one hoof grazed the other occupant of the front seat. The men in the car jumped and succeeded in pulling the steer off the machine. Besides Clevenger and Freeland, the other occupants were Griffin Alley and William Miller of Greensburg.

LOSSES TO LIVE STOCK ARE LESS

**Department of Agriculture Finds
Epidemic of Hog Cholera is
Now on the Wane**

6.6 PER CENT OF SUPPLY DIED

**Losses in Past Years From This
Disease in Indiana Exceeded
Ten Per Cent**

Losses of live stock from disease and exposure during the past year were moderately smaller than the 10 year average of such losses, and the condition as to health and flesh of animals on Apr. 1 was slightly better than average, according to estimates based upon reports of agents and reporters of the Bureau of Crop Estimates, U. S. Department of Agriculture.

The epidemic of hog cholera seems to be on the wane; for the total losses of hogs from disease last year is estimated at 6.6 per cent of the total supply, as compared with about 10 per cent a year ago, 11.9 per cent two years ago, 11.0 per cent three years ago, 8.9 per cent four years ago, 4.5 per cent five years ago, and 4.5 per cent six years ago. The development and decline of the epidemic may be observed from these figures. During the past year losses still amounted to or exceeded 10 per cent of the supply in Ohio, Indiana, Arkansas, and Florida.

One important reason for smaller losses of live stock from exposure is the increasing practice on the ranges of feeding hay, generally alfalfa, to the sheep and cattle, when the winter is severe and grazing difficult. Stock is thus kept in better condition, and losses from exposure become less.

For the entire United States the losses of horses and mules from disease during the past year are estimated as 1.75 per cent, compared with a ten-year average of 1.95 per cent of the supply; losses of cattle from disease, 1.96 per cent, compared with the ten year average of 2.01 per cent; losses of cattle from exposure, 1.07 per cent, compared with the ten-year average of 1.56 per cent; losses of sheep from disease, 2.16 per cent, compared with the ten-year average of 2.48 per cent; losses of sheep from exposure, 2.17 per cent compared with the ten-year average of 3.11 per cent; losses of lambs from disease and exposure, 5.22 per cent, compared with a five-year average of 5.99 per cent; losses of swine from disease, 6.63 per cent, compared with a ten-year average of 6.62 per cent.

The condition as to health and flesh on April 1, 1916, and the average on April 1 of the past ten years, are relatively as follows: horses and mules, 96.7 and 96.2; cattle, 96.0; sheep, 96. and 95.4; swine, 94.2 and 94.0.

The number of breeding sows in the United States is estimated to be about 1.6 per cent more than on April 1 last year. The increases are mostly in the southern States.

HOOSIER HURT IN JAPAN

(By United Press.)
Sapporo, Japan, June 16.—Art Smith, the American aviator of Fort Wayne, Ind., was seriously injured in the right leg today when his aeroplane fell while he was making a flight.

An ice-cream social was held at Sexton last evening in the town hall. A good crowd was in attendance and about fifteen dollars was cleared.

DIVIDED ON THE SUFFRAGE PLANK

**Democratic Resolutions Committee
Submits Two Reports, Differ-
ing on a Minor Point**

EACH SIDE TO DEFEND COURSE

**Longest and Most Important Plank
is That on "Americanism"—
Administration Indorsed**

(By United Press.)

Coliseum, St. Louis, June 16.—Just as the Democratic national convention saw visions of early adjournment this afternoon with the adoption of the platform presented by Chairman Stone of the resolutions committee, Governor Ferguson of Texas upset plans with the presentation of a minority platform report on the suffrage plank. It was unaccepted.

Rather than take any chances of a divided party, Chairman James ordered that the majority and minority views be presented in a thirty-minute debate for each side.

There was little expectation, however, but that the majority report would be adopted by a large majority.

The Ferguson report differed from the majority report only on the suffrage plank. The report of Ferguson and three other members of the resolutions committee simply makes more emphatic the exclusion to women in southern states, objected to because such provision would complicate the franchise granted negroes.

The platform begins with a review of the Wilson administration.

"We indorse the administration of Woodrow Wilson," is the opening sentence. "It speaks for itself. It is the best exposition of sound policy at home and abroad. We challenge comparison of our record, our keeping pledges and our constructive legislation with those of any party of any time."

The longest and one of the most important planks in the platform is that on "Americanism." The Democratic party, according to this plank, "summons all men of whatever origin or creed who counts themselves American to join in making clear to all the world the unity and consequent power of America in this day of test, America must show itself not a nation of partisans but a nation of patriots."

Hyphenated Americanism is denounced in the following words: "Whoever actuated by the purpose to promote the interests of a foreign power in disregard of our own country's welfare or to injure this government in this foreign relations or cripple or destroy its industries at home and whoever by arousing prejudices of a racial religious or other nature, creates a discord and strife among our people so as to obstruct the wholesome process of unification is faithless to the trust which the privileges of citizenship repose in him and disloyal to his country."

The groups working toward this end are condemned in strong language. The platform declares for "an army fully adequate for the protection of a nation's rights" and a "navy worthy to support the great naval position in this world."

The course of the Wilson administration in European affairs is approved as well as the Wilson Mexican policy. Necessity of American troops remaining in Mexico until order is restored is emphasized.

The Philippines independence bill as passed by the house is indorsed.

The seamen's act passed by congress is indorsed and the party is pledged to an amendment of the federal child labor law, the creation of

WILL APPEAL GAS CAUSES

**To Continue Fight to Have Law De-
clared Unconstitutional**

The City of Rushville has filed its precept in the two gas rate cases giving notice that the cases will be taken to the supreme court. The cases are those directed against the Public Service Commission in which it was attempted to declare the law unconstitutional and the appeal, will be taken on the grounds that the court erred in overruling the demurrers of the city. The case will thus go to the supreme court on the issues raised here.

ROOSEVELT READS ANTI-HYPHEN PLANK

**Refuses to Comment on "American-
ism" Declaration in the Dem-
ocratic Convention**

T. R. INJURY IS IMPROVING

(By United Press.)

New York, June 16.—Colonel Roosevelt today received and read very carefully the "pro American anti-hyphen" plank to be part of the Democratic platform but declined to comment.

"I am in private life and wish to be treated as a man in private life. I do not wish it to appear that I have gone back on anything I have said," he declared. The Colonel was in his street clothes and walked about easily. He showed signs of being in pain when he talked. He reiterated, however, that his injury is painful rather than serious and that he will be all right speedily.

RUSSIANS SEEK TO CUT OFF AUSTRIANS

**Hope to Intercept Communications
Between Lemberg and South-
ern Points of Line**

AUSTRIANS ARE STIFFENING

(By United Press.)

London, June 16.—With Czernowitz semi-officially reported captured, the Russian offensive is now driving westward towards Stanislaw in an effort to cut completely the Austrian communications between Lemberg and all of the southern points of the line.

If the Russians are successful, the Austrian Czernowitz army will either have to stand its ground or retreat through the Carpathians and down onto the plains of Hungary. For the Russians to reach and occupy the rich farming country of the plains would be a serious blow to the central powers, now practically dependant on the coming harvest for enough food to enable them to continue the war.

Reports from Berlin, Petrograd and Vienna all make plain that the Austrians in an effort to prevent the complete cut have stiffened their defense but the Russians continue to advance steadily.

CARTHAGE BOY IN ARMY.

Ralph C. (Rica) Ervin, who left Carthage a few years ago, has enlisted in the U. S. Army service, and is in the Hospital Corps at Columbus Barracks, Ohio. He recently made a trip to New Mexico.

MANY DELEGATES LEAVE ST. LOUIS

**Remnant of Those Left is Slow in
Arriving at Opening of Dem-
ocratic Convention**

STONE APPEARS AT 12:30

**When Chairman James Raps For
Order, Half the Galleries are
Vacant and Floors Empty**

(By United Press.)

Coliseum, St. Louis, June 16.—Tired, hoarse, sleepy-eyed and bedraggled but happy, Democracy's leaders met at 11:29 today to announce the principles on which their candidates, Wilson and Marshall, will seek re-election. Adoption of a platform was the sole business before the delegates. A great many of the delegates had departed and the remnant of these left was very slow in arriving.

When Chairmen James rapped for order, half the galleries were vacant and huge sections of chairs on the floors were empty.

After a period of waiting, during which Senator Reed of Missouri delivered an address, Senator Stone of Missouri was recognized at 12:30 to submit a report of the committee on resolutions.

After one of the longest sessions in the history of the party, marked by bitter discussions on the framing of some issues, the resolutions committee announced at eight o'clock today that the platform upon which Woodrow Wilson will make his second campaign for the presidency was practically completed and would be ready to submit to the convention when it convened for its final session at eleven o'clock.

Chairman Stone of the committee announced that the principal planks of the platform as agreed upon by the committee had been read by President Wilson over the telephone and that the president declared they were satisfactory.

Though the platform was announced as completed, there was one question which was scheduled to be carried to the floor of the convention. This was in relation to woman's suffrage. The committee fought out the equal ballot pledge for hours. It defeated 20 to 22 a plank for straightout declaration in favor of a federal constitutional amendment to give women the vote. It adopted by a vote of 25 to 20 the following statement:

"We recommend the extension of the franchise to the women of the country by the states upon the same terms as to men."

The language of the Mexican plank and of that referring to the Democratic foreign policy were also stumbling blocks but there was expected to be little opposition in the convention to these two planks as framed.

PLAY AT LEWISVILLE.

The Rushville Reserves, a local team composed of players from the Knights of Columbus and Red Men's teams of the fraternal league will play the fast Lewisville team there Sunday. The Lewisville team has not been defeated this year and the locals hope to turn the trick.

GETS NEW GYM.

Crawfordsville, Ind., June 15.—Wabash College is assured of a new gymnasium it became known today. Several contributions were made during commencement week which complete the \$50,000 desired. Work will be started within a short time according to President George L. Mackintosh.

Newest and Smartest Dresses for Misses and Women

As is our custom on all our statements, we make good on the above. The time is entirely past when it is impossible to procure apparel that is perfectly suited to the warm weather season. Come and allow us to show you among the things from our splendid stock for summer wear—these Dresses—and we will convince you not only that they are also highly desirable because of their character of fabric and harmony of design, but make an effect most pleasing to both yourself and your friends.

You will find the cost of dressing really artistically very moderate just now.

—Miss Bessie Bates will spend the week-end in Indianapolis the guest of friends.

—Howard Finnegan is attending the commencement festivities at the Knightstown Home.

—Miss Margery Geraghty went to Columbus today for a visit with Mr. and Mrs. J. Frank Marshall.

—Mr. and Mrs. O. P. Wamsley will attend the commencement dance at the Knightstown Home tonight.

—Mr. and Mrs. Karl G. Kennedy and Mr. and Mrs. E. L. Kennedy motored to Liberty yesterday for the Centennial celebration.

—Mrs. Emily Coleman, Mrs. Vernon Marsters and Miss Henrietta Coleman have returned home after visiting Mr. and Mrs. Tom Williamson in Indianapolis.

—Miss Clorine Amos is spending the week-end in Indianapolis. She will attend the performance of Siegfried at the Coliseum tomorrow evening.

FEATHER PILLOWS

Your sheets are rarely used longer than a week and you make this change of your Bed Linen so as to be clean and thereby keep healthy. Did it ever occur to you that your "Feather Pillow" while they are invariably encased in a pillow case, also become soiled, unclean, unsanitary and possibly unhealthy from use?

We Wash and Sterilize your Feather Pillows in a neutral soap, drying them in our Dry Room at a temperature of 240 degrees Fahrenheit, leaving each and every feather light and fluffy, just the way you would have them.

The cost is 25 cents. Give us one this week and compare it with its mate when returned.

MINISTER IS GIVEN RELIEF

The Rev. William Heflin, Pastor of Old Christian Church, Aided by Tanlac

Kokomo, Ind., June 15.—A minister of the gospel has added his words of praise for Tanlac, the Master Medicine. He is the Rev. William Heflin, pastor of Old Christian church, rural route No. 1, Russia-ville, southwest of this city. The Rev. Mr. Heflin said:

"For five years I suffered with sciatic rheumatism and stomach trouble. My limbs would become swollen; indigestion bothered me; gas formed on my stomach.

"The swellings of my limbs occur no more since I have taken Tanlac. The indigestion has been relieved so that I can eat anything I care for. Tanlac certainly has helped me wonderfully."

Tanlac is especially beneficial for stomach, liver or kidney trouble, catarrhal complaints, rheumatisms, nervousness and the like, and is excellent for relieving the after effects of hard coughs, colds, lagrippe, pneumonia and the like. Tanlac is now sold exclusively in Rushville at F. E. Wolcott's drug store; and in Arlington at Mrs. L. T. Davis's; in Carthage at J. H. McCarthy & Son; and in Milroy at Barton & Sheppard's."

Claims of Long Descent

George V. is descended from Robert Bruce, King of Scotland, and so also is Theodore Roosevelt. So also are some hundreds of thousands of other persons less known to fame, for distinctions of this sort are very widely shared. According to the author of Browning's "Americans of Royal Descent," Col. Roosevelt is descended, through the Bullocks and Irvines of Georgia, from the lairds of Tiliwhilly and through the latter from several Scottish kings, including Robert Bruce. With or without his consent, Col. Roosevelt is made a remote cousin of the present king of England.

But King George does not stop at Robert Bruce, nor need Col. Roosevelt, for in this matter of the descent of people from previous people there is no end until we reach the beginning. Several years ago Rev. Mr. Hyde, rector of Trinity Episcopal Church at Weymouth, Mass., announced that he had traced the descent of George V., through the marriage of a daughter of King Zedekiah to an Irish king, back to David's royal line, and thence to

Adam himself—concluding: "God said he would establish the throne of David forever and that David would never cease to have a descendant. George V. is a fulfillment of these words, for he is a descendant of David and he sits upon the throne of Israel."

This is entertaining enough for print, but it will not deeply impress either the historian or the philosopher. If it be taken for granted that Adam was really the first individual man and therefore the father of all mankind, what becomes of the pride of such ancestry, in which Indians, Chinese, negroes and all the savage tribes of the world share equally with white men and with King George? And inasmuch as the kings of Israel had hundreds of wives or concubines, the honor of descent from them is now also shared among too many millions to be of any particular value, even where the descent can be traced; and it may well be doubted whether it can be traced, except perhaps in the case of a few Jewish families that managed to keep their heads above water (and their records dry) during many centuries of dispersion and persecution.

No doubt King George can go back to the first race of men, and Col. Roosevelt can follow him, but the distinction fails to distinguish because we all are part and parcel of the mighty procession that marches abreast of them, whether we have records to show for it or not.

On Wednesday of next week the sun will start back on its southern trip to a point below the equator and the longest day of the year will be reached. And none of that knee deep in June stuff yet!

But how can one live within one's means when there are so many friends with automobiles. Looks like owning one would be as cheap.

It is apparent that the wind of the Democratic spellbinders would not hold out and the national convention, which was to have held until past midnight tonight, was to be cut short some time today.

Reports from St. Louis are that the Democratic platform will not bear much resemblance to the draft Wilson sent from the white house to have adopted. Mercy, are the platform makers not afraid of the Wilson big stick?

Some people are so pleased with their own responsibility that they are a source of painful vividness to all others.

HUNDRED LEADING HOOSIERS

Asa Iglehart (77)

Judge Asa Iglehart, an eminent Indiana jurist, came of an old Maryland family. Asa was born in Ohio, December 8, 1817. During his boyhood Asa worked in the fields by day and studied by the firelight at night. He managed to obtain some law books which not only did he study at night, but carried them to the fields with him.

In 1849 he began the practice of law in Evansville. In 1854 he was appointed judge of the court of common pleas.

In 1858 Iglehart resumed the practice of law and never entered politics again. He was the first president of the state bar association and was one of the founders of the American Bar association. Iglehart was the author of a number of writings on law. He died in 1887.

ONE QUALITY ONLY - THE BEST

We put it up to Hundreds of Dentists

Long before SENRECO was offered to you we submitted it to hundreds of dentists, requesting that they put it to every test. Told them that we believed Senreco to be an unusually good dentifrice, especially as to its cleansing qualities and its remedial action on sore, soft, bleeding gums; in the treatment of Pyorrhea, etc. Submitted the formula and asked them their opinion. They tested Senreco from every angle; some going even so far as to make a chemical analysis—

And They Voted Yes

With practically one accord—said:

"Senreco appeals to me more than any dentifrice I have ever seen." "I cannot say too much for Senreco. It's one of the best I have used." "I can recommend Senreco as the best." "Makes the teeth glisten and is free from injurious ingredients, including pumice and grit." "I am indeed glad to get a tooth paste that does the work." "Congratulations you on formulating a dentifrice that gives one a new idea of mouth cleanliness, etc." (These quotations are from the dentists' reports. Originals on file at our office.)

With such endorsements from the men who know; why not go to your dealer today and get a tube of SENRECO—25c. Keep your teeth REALLY CLEAN, and protect yourself against Pyorrhea and decay.

A copy of the folder, "The Most General Disease in the World" together with a liberal trial size tube of SENRECO will be mailed you for 4c in stamps. The Santal Remedies Co., Inc. Dept. B, Masonic Temple, Cincinnati, Ohio.

To the People of Rush County:

I am located on the north side of the square, No. 122 East Second street, and showing a splendid line of FURNITURE at prices that attract. It is true I do pay rent, a very reasonable one, but when you count interest on investment, together with taxes and insurance it amounts to a great deal more than rent, and someone has this to pay.

Less Expense — Less Price

I have no regularly equipped rest room, which is an added expense, but you are always welcome and are at perfect liberty to use any rocker or davenport in the house.

Less Expense — Less Price

My funeral parlors are always open to the public and I invite you to call; but why pay extra to get a MOTOR HEARSE from some other city, when I have the only one in the county?

Less Expense — Less Price

The up-keep on property and help is an added expense.

Less Expense — Less Price

Why do I sell more Furniture than ever? Answer

Less Expense — Less Price

ARE NOMINATED AT MIDNIGHT

Wilson and Marshall are Chosen as Standard Bearers by Democratic National Convention

WITHOUT TAKING A BALLOT

Enthusiasm Runs High and Senator

Kern is Unable to Make Marshall Nominating Speech

Coliseum, St. Louis, June 16.—President Wilson and Vice-President Marshall were renominated by acclamation by the Democratic national convention here last night, amid a great road of applause, the enthusiasm reaching such bounds that Senator Kern, who had prepared a long speech for the presentation of Marshall's name, uttered only a few words.

Following the speech of John W. Wescott of New Jersey in nominating President Wilson a demonstration continued for forty-five minutes, and pandemonium broke loose again when Senator Kern arose to present Mr. Marshall's name. The program for a series of speeches seconding Mr. Wescott's address was abandoned and only two delegates—Former Governor Harmon of Ohio and Governor Stewart of Virginia—spoke in seconding the nomination.

On motion of Senator Hughes of New Jersey the rules were suspended and no ballots whatever were taken. The delegates simply roared "aye." When the names of Wilson and Marshall were called and Chairman James declared them nominated by acclamation.

Senator Kern, nominating Vice-President Marshall, simply said: "I renominate Thomas Riley Marshall."

The nominations of both candidates were completed four minutes before midnight.

Robert Emmet Burke of Illinois, a delegate who announced he would not vote for the President, raised the only voice in opposition. He was elected as an independent.

Many delegates and spectators made a rush for the exits when the vice presidential nomination was made and in the confusion Senator James with great difficulty restored order.

The resolutions were then read and adopted appointing Chairman James and former Governor Glynn of New York chairmen of committees respectively, to notify the President and Vice President of their nominations.

Senators Hughes, Taggart and Vardaman were appointed which still was in session to learn if it was ready to report.

Practically all of the delegates remained but the galleries emptied quickly.

Senator Lewis of Illinois then was called to the platform to fill in the wait with a speech.

Senator Lewis however, cut it short, and merely thanked the crowd

More Rheumatism Than Ever Before

Clergymen, Lawyers, Brokers, Mechanics and Merchants Stricken

Our old friend Rheumatiz is having his inning this year, and a few words of caution from one who knows all about it may not be amiss.

Wear rubbers in damp weather; keep your feet dry; drink plenty of lemonade, and avoid strong alcoholic drinks.

If rheumatism gets you, or sciatica, and you have sharp twinges, gnawing pain or swollen joints or muscles, you can get rid of all agony in just a few days by taking one-half teaspoonful of Rheuma once a day.

All druggists know about Rheuma; it's harmless, yet powerful; cheap yet sure, and a 50-cent bottle will last a long time. Ask Johnson's or any druggist.

(Advertisement.)

WILL TAKE ON THE STRONG METS HERE

Rushville Team of Home Players

Will Lineup Practically Same as First Game

ED CARTER'S PLACE TAKEN

The Rushville team of home players will tackle the Mets, a strong Indianapolis team Sunday afternoon at Edgewater park. The Rushville team will line up practically the same as in the opening game. Willie (Bun) Hart of Connersville will be at the shortstop position for Rushville in place of Eddie Carter, who has quit the team. Hart should help the hitting of the locals.

The Mets have a good reputation so far this season. Reno, their pitcher, has a record of 22 strikeouts in one game and a real duel is expected between him and Hudson. The Mets lineup is as follows: Poirier, center; Thompson, first base; Stewart, left field; Herron, right field; Oaks, short stop; Guy, third base; Mannon, second; Smart, catch, and Reno pitch.

The Rushville team will line up as follows: Harry Hawk, left field; Hart, short stop; Sharp, right field; Tompkins, first base; Spacey, catch; Howard Hawk, second base; Miller, third base; Todd, center field; Hudson, pitch, and Yazel and Combs, utility. The game will be called at three o'clock.

for its applause. The crowd wanted somebody to talk and there were cries for "Tom Hefflin" and "Irvin Cobb." Hefflin took the platform.

While Hefflin was talking the conferees returned from the platform committee and reported that the platform would not be ready for the convention for two or three hours more.

Senator Hughes recommended an adjournment.

Hefflin amused the crowd with a story.

When President Wilson's name had been presented, Sergeant at Arms Martin stirred up the enthusiasm by waving the Texas "lone star" flag, handed over the heads of the crowd from the chairman's rostrum. Other state flags were taken to the platform.

The crowd joined in singing a medley including "How Dry I Am," "Old Black Joe," "The Red, White and Blue" and others.

After the demonstration had been under way thirty minutes New York and some other delegates resumed their seats. Waving a cane over the rail at the chairman's desk, Senator Hughes renewed the clamor by leading three cheers for the President.

The band exhausted the list of popular national airs, then turned to "Tipperary" and the crowd joined in the chorus. Then the musicians went back to American airs. Some of the delegates stopped demonstrating long enough to drain pop bottles and then went back at it again.

The band was so vigorous keeping up the din that the musicians went short of breath, so they laid back and let the bass drummer perform alone for awhile. He belabored his drum industriously until the bandsmen got their second wind and then went back to "Tipperary."

The Low Cloverleaf Gives the Manure Two Healthy Beatings

WE used to think that if we threw manure onto the ground any old way and plowed it under, we were doing a good job. But now we know that won't do. To do any real good, the manure must be broken up into small pieces and spread evenly.

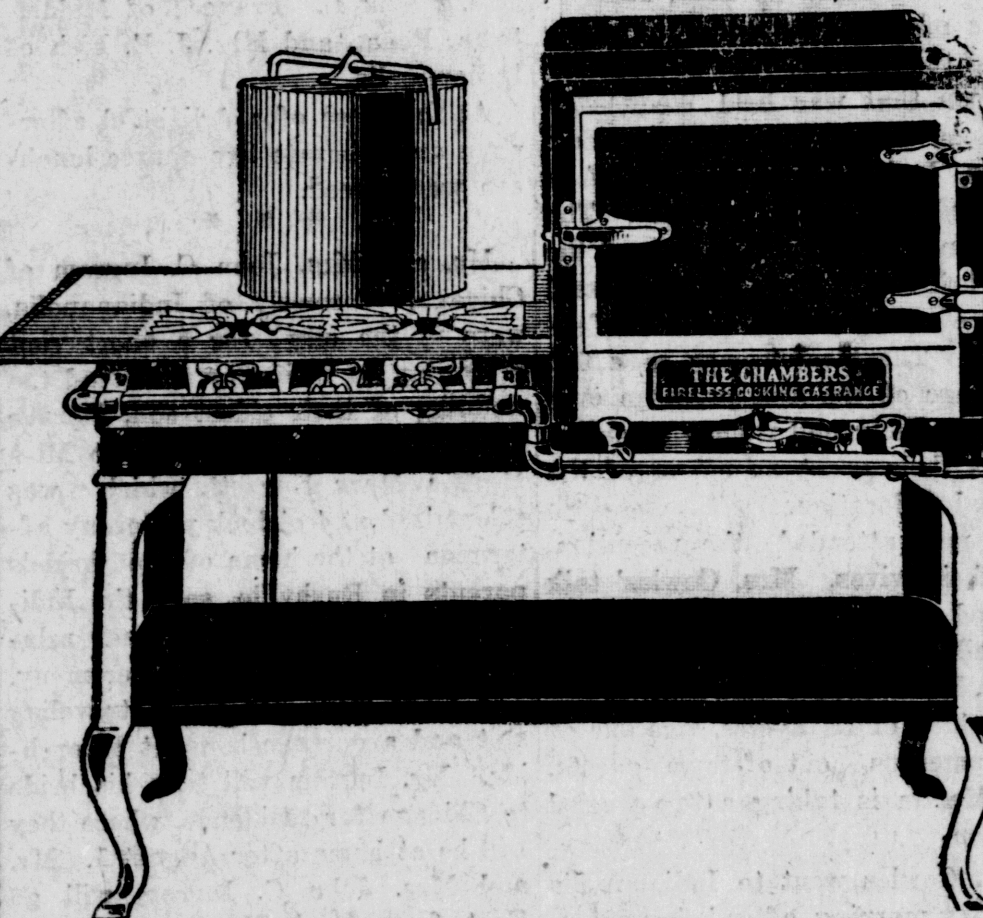

The Low Cloverleaf spreader is the one that does this work best. It gives the manure two healthy beatings, one with the regular beater, the other with the wide spread disks. When the manure reaches the ground in that condition your soil gets all the good there is in it, and gets it quickly. The Low Cloverleaf is one spreader it will pay you to see before you buy. See the local dealer who has one set up for you to look at.

Affairs In The Social World

Edited by Miss Frances Frazee
Phone 1111

Mr. and Mrs. Glen Abernathy entertained at Sunday dinner Mr. and Mrs. J. Adams and family and Harry Glaser of Muncie.

Mr. and Mrs. Philip Heeb entertained with a dinner today in honor of Mrs. Lilly Armstrong, of Missouri, formerly of Rushville.

The Gleaner class of St. Paul's M. E. Sunday school will meet Saturday afternoon at two-thirty o'clock with Miss Henrietta Turner at her home at 721 North Willow street.

GRAND CLUB

Mrs. Chauncey Duncan entertained the Grand Club yesterday afternoon. A profusion of roses filled the rooms. After the series of card games, dainty refreshments were served.

MRS. COWLES AT RICHMOND.

Mrs. Ione V. Cowles of Los Angeles, Cal., who recently was elected president of the national federation of women's clubs and thus brought fame to Carthage, because it was there she was born and reared, spoke at a reception for her on Wednesday afternoon. The Richmond Item says of the reception:

Preparedness of women to enter upon the wider field in life that is opening for them was urged upon the 250 members of the local Federation of Women's clubs by Mrs. Ione V. Cowles of Los Angeles, Cal., president of the national federation in the reception that was held Wednesday afternoon in her honor at the home of Mrs. J. A. Cathell and Mrs. Ada Bernhardt, on South A street. The reception was considered one of the most brilliant and most successful events ever enjoyed by the local federation. The local women took full advantage of the first privilege ever to fall to Richmond women to entertain as their guest an officer of the national federation.

Six men attended the reception, with their wives. Mrs. Cowles' talk referred especially to preparation for philanthropic and civic work.

Mrs. Eunice Porterfield Martin, police matron of Lafayette, was one of the numerous out-of-town guests. Mrs. Martin is taking a two weeks' vacation.

Mrs. Cowles went to Indianapolis Thursday morning, after being entertained at the residence of Dr. and Mrs. O. N. Huff of Fountain City for Wednesday evening dinner and last night. Mrs. Cowles and her sister, Mrs. William A. Peterson, of Chicago, are cousins of Dr. Huff.

MISS ALMA GREEN ELECTED

Miss Alma Green of this city was elected grand instructress at the business session of the annual meeting of the Psi Iota Xi sorority in Bloomington yesterday. She was formerly grand secretary. Miss Alice Adams of Bloomington was elected president to succeed Miss Frances Frazee of this city, who was chosen at the 1915 convention held here last June. Other new officers are: grand vice president, Harriett Goodwin, Newcastle; grand secretary, Josephine Hall, Bloomington; grand treasurer, Elizabeth Hickam, Muncie; grand conductress, Fern Connelly, Eaton, O.; grand nemesis, Louis Mason, Columbus, Ind.

At the business session it was voted unanimously that the society have a scholarship fund out of which the expenses of some worthy girl be paid each year to the summer term of a university or college of her choice. It also was voted to open future national meetings to any members of the sorority instead of restricting attendance to delegates.

The convention will close this evening with a formal dance given at the city hall. This morning a reception and dance was tendered the visitors by the Beta Sigma fraternity and this afternoon they were honored with a tea at the home of Mrs. J. E. P. Holland. A banquet was

given at the First Methodist church last evening followed by a musical and literary program.

The guests from Rushville include Harriet Vredenburg, Laura Holden, Lucile Gray, Mary Jane Carr, Marguerite Wolcott, Ruth Innis, Frances Frazee, Alma Green and Alleine Budd.

DINNER-DANCE

The ladies of the second and third divisions of the Social Club will give a dinner-dance next Tuesday evening, June 20th.

Three hundred invitations have been issued for a dance to be given at the skating rink, Wednesday June 21st. Mitchell's orchestra will furnish the music and Dr. Hale Pearsey will sing. Plans have been made to decorate the rink in an elaborate manner.

HAPPY-GO-LUCKY

Mrs. Frances Smith and Mrs. John H. Frazee entertained the Happy-Go-Lucky Club and a number of other guests this afternoon at the home of the latter in North Harrison street. The house was beautiful with its decorations of Dorothy Perkins roses and sweet peas. Mrs. Helm Woodward sent the flowers from her garden at her home in Covington, Ky. The guests other than the club members were Mrs. Cyrus Yocum, Mrs. George C. Wyatt, Mrs. Oliver Walton, Mrs. Charles Offutt, Mrs. Benjamin Humes, Mrs. W. C. Smith, Mrs. W. E. Smith, Mrs. Frank L. France of Middletown, Penn., and Mrs. J. E. Fish of Indianapolis.

At the close of a delightful afternoon an elaborate two-course luncheon was served.

Mr. and Mrs. John C. Ingram of Chicago, formerly of Indianapolis, were in the city for a short visit yesterday on their way to attend the wedding of their eldest son, Horace Colby Ingram of Chicago to Miss Martha Marr Hogsett, which was solemnized at 4 o'clock yesterday afternoon at the home of the bride's parents in Rushville, says the Indianapolis Star. Only the near relatives were present for the ceremony. The bride wore her silken traveling suit and a corsage bouquet of orchids. Mr. Ingram will take his bride to Chicago for residence, where they will be at home after August 1. Mr. and Mrs. John C. Ingram will go East from Rushville to attend the commencement festivities at Harvard University, where their youngest son, Dwight Ingram, will be graduated next week. Dwight Ingram is one of the leading men in his class and is the president of the Crimson, the Harvard paper, a much coveted office of great honor. Mr. and Mrs. Ingram will be joined in the East by their daughter, Mrs. James M. Judson, and Mr. Judson and daughters and by their other son, Carl Ingram and his wife, all of Chicago, who will attend the commencement. Dwight Ingram will sail July 1 with a party of college students for Baluchistan, India, to assume a position as director of sports among the soldiers.

D. A. R. ENTERTAINS

The entertainment by the Rushville chapter of the Daughters of the American revolution of thirteen members of the Lone Tree chapter of Greensburg yesterday afternoon at the home of Mrs. Lieu Oneal west of the city proved to be one of the most delightful events of the season. Mrs. Will Dill, regent of the local chapter, gave the address of welcome and Miss Johnson, regent-elect of the Lone Tree chapter responded on behalf of the guests. The remainder of the program was carried out as arranged, with the exception that Mrs. Derby Green sang the state song, "Indiana," instead of Mrs. Will Amos.

The event was in celebration of Flag Day and the Oneal home was most appropriately decorated. There was a profusion of flags, especially in the dining room where an immense flag stretched across the room and hung to the floor. Vines and flowers were also used to good effect. The dining table was arranged

with crystal candlestick holders with red candles lighted and trailing from one candlestick holder to another were vines. Crimson ramblers were also arranged on the dining table.

There were seventy women present, including the thirteen from Greensburg and three other guests. Miss Emma Donnell, state vice-regent, who is a member of the Lone Tree chapter, was present and told of the work being accomplished by the D. A. R. all over the United States.

The Tri Kappa skating party given last evening by the members of that sorority was a decided social success.

Mrs. Harry McMillin entertained a card club this afternoon. After the guests had enjoyed the afternoon at auction bridge, dainty refreshments were served.

PRISCILLA ART CLUB

Mrs. Fred Martin was the hostess for the Priscilla Art Club yesterday afternoon. All the members were present and Mrs. Lowell Vickery, Mrs. Thomas Logan and Mrs. Wilbur Gipp were guests.

READLE-FRAZEE

At three o'clock this afternoon Miss Rita Readle became the bride of Edward Frazee, son of Mr. and Mrs. Austin Frazee at the home of her sister, Mrs. Guy Mulbarger in North Jackson street. The bride was lovely in a green taffeta coat suit with hat to match and her corsage was of pink rose buds. A profusion of pink rosebuds and greenery made the house a lovely setting for the ceremony which the Rev. Carl Burkhardt performed. After an automobile trip through Ohio Mr. and Mrs. Frazee will return to their newly furnished home on a farm near Orange.

SUNSHINE EMBROIDERY CLUB

Mrs. Lillian Ray was the hostess yesterday afternoon for the Sunshine Embroidery Club. The rooms were fragrant with many roses and sweet peas. Dainty refreshments were served after the guests had spent the afternoon with their sewing. Aside from the club members, Mrs. Loraine Thompson, Mrs. Russell Baker and Mrs. Susie Hacker were guests.

WARFIELD-KIMMELL

A very pretty home wedding took place last evening in Indianapolis at the home of James Warfield when his youngest daughter, Cora was united in marriage to William Ira Kimmel of Logansport. The ring ceremony was performed in the presence of fifty guests. The Rev. Mr. Thayer performed the ceremony. The bride was lovely in white taffeta draped in Georgette crepe, and her flowers were white roses. The house was beautifully decorated in the wedding colors of pink and white. Mr. and Mrs. George King of this city attended the wedding. Miss Warfield is a sister of Mrs. King's and formerly lived in Rushville. Mr. and Mrs. Kimmel will be at home on Jefferson Ave., Indianapolis.

Amusements

"The Two Edged Sword" is the title of the feature picture at the Princess tonight. Edith Storey, Evart Overton, Gallord Logan and Nellie Anderson are featured. It is said to be a very dramatic picture with a novel plot but one that will hold attention to the very last. It is cleverly staged and artistically acted. One of the big scenes is an automobile collision, which is very realistic and add much to the picture. Tomorrow a big double program will be given including the two act drama "Under Royal Patronage," the comedy "Freddy the Fixer" and the drama "Her Partner."

Mr. and Mrs. Harry McMillin and children accompanied Mr. and Mrs. Herman Tompkins and son John to Liberty yesterday for the Centennial celebration. The trip was made in a machine.

All Up-To-Date Housekeepers Use Red Cross Ball Blue. It makes the clothes clean and sweet as when new. All Grocers.

THE MAUZY CO.

The Store That Sells Wooltex

Wash Skirts that are trim and stylish

—the first time you wear them and after you launder them

—Wooltex-shrunk, Wooltex-tailored.

Never before was so much fashionable beauty seen in tub skirts as in these snow-white skirts from the Wooltex tailors.

Made of cotton gabardine, piques, polo cloth, waffle stripe, linens and other summer fabrics in the choicest patterns. Every piece is Wooltex-shrunk by a special process before cutting.

Tailored by the same tailors and in the same way as the famous Wooltex tailored wool skirts—re-inforced waist bands; seams carefully basted before stitching; button holes that will not ravel or tear out; buttons and fasteners firmly sewn on.

Other Wash Skirts, including many stripes \$1.25 to \$2.00

You'll see none to equal these Wooltex-shrunk Wash Skirts at \$2.50 to \$7.50

A beautiful showing is here of tub frocks, either white or colors, and include dresses, one or two piece, of voile, organdie, net, linen, gabardine, silverbloom, and pique. You are invited to see them.

The Chautauqua

Smartly tailored tub skirts in cotton gabardine or polo cloth; diagonal pockets with flaps decorated with big pearl buttons; a graceful, attractive skirt at \$3.00.

Mystic Theatre

A Colossal Photo Spectacle

"CABIRIA"

The last word in motion photographic art comes to the

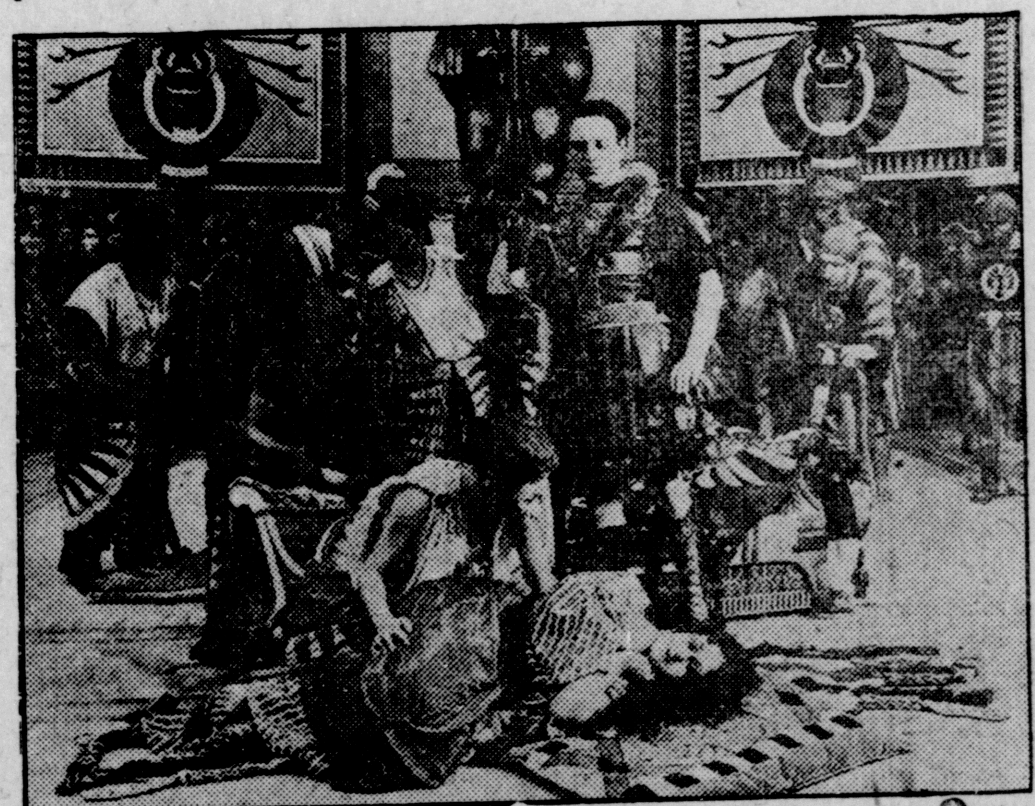

Last Times 6 and 9 Tonight

Gabriele D'Annunzio, who is unquestionably Italy's foremost dramatist, wrote and personally staged the photo spectacle, "CABIRIA." Experts in motion photography predict a new epoch with the introduction of this remarkable film, which is a historical vision of the third century B. C., immediately after the close of the first Punic war. It has never been equalled for regal splendor and barbaric magnificence. Its cast is composed of the best known players of Rome and the ensembles, mobs and armies number over seven thousand people.

D'Annunzio has taken as a basis of this story the strife between Carthage and the Romans, at the time Hannibal took command of the Carthaginian forces, and surprised his antagonists by crossing the Alps with his army. The romance of "CABIRIA" is fictional, but the action and main facts, historical. "Cabiria" the title is the principal character of the scenario. The name means "one rescued from the flames" and Cabiria, an infant

child, taken prisoner during the eruption of Mt. Etna, is sold into slavery. The high Priest of the Temple of Moloch was the purchaser and the infant is kept with others until the time arrives for her to be sacrificed to Moloch, whom the Carthaginians worshipped as the God of Fire. She is saved by a young Roman, "Fulvius," and her experiences and sensational escape with the assistance of a veritable Hercules, form the nucleus of the plot. 1200 scenes, a cast of 7,000 characters, herds of elephants and camels—a \$250,000 production.

Last Times 6 and 9 O'clock Tonight

Don't Let Soap Spoil Your Hair

When you wash your hair, be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mul-sified coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

MOTORIST BLINDED BY A HEAVY STORM

Will Fisher's Machine Crashes Into Open Culvert and the Rev. U. G. Abbott is Hurt.

OTHER OCCUPANTS ESCAPE

Blinded by the heavy rain storm of Wednesday evening, Will Fisher of Richland township, lost the road and the automobile which he was driving crashed into an open culvert. The Rev. U. G. Abbott, pastor of the Richland Methodist church was severely cut about the arms and face and sustained a painful injury to one of his legs.

The accident occurred near the William Anderson home south of this city. The party was on the way home from here when overtaken by the rain. Mr. Fisher tried to keep going despite the fact that he could not see the road. The front wheels of the machine were smashed and the car otherwise damaged. None of the occupants, with the exception of the Rev. Mr. Abbott, was injured.

LIBERTY HOLDS CENTENNIAL

Liberty Stages Parade Composed of 50 Historical Floats

Liberty, Ind., June 16.—The state centennial celebration for Union County was held here yesterday, beginning with a parade at 11 o'clock, in which there were more than fifty floats, picturing scenes of historical interest or representing community enterprises. Hundreds of decorated automobiles were in line. The Indianapolis Newsboys' Band took part in the entertainment. College Corner, O., sent a large delegation and brought a band. In the afternoon old-fashioned dances were given in costume on the Court House lawn by some of the older citizens. Children in colonial costumes danced the minuet and the Virginia reel. An address was made at the Stanley Memorial Building by Archibald M. Hall of Indianapolis. One of the largest crowds ever in Liberty attended, the day also being homecoming day.

NAILS USED IN JOINT FRACTURE

Surgeons Can Repair Broken Bones Just as Carpenter Can Fix Broken Chair Leg

CAN SCREW THEM TOGETHER

In Dogs Operated on by This Method It is Impossible to Tell Broken Limbs

Detroit, Michigan, June 6.—The modern surgeon can repair broken bones just as a carpenter can fix a broken chair leg. The use of nails and screws in uniting broken bones was advocated by Dr. Arthur T. Mann of Minneapolis, in a paper read yesterday before the Section on Surgery of the American Medical Association, which is holding its Sixty-Seventh Annual meeting in Detroit. A series of experiments undertaken to demonstrate the results of nails and screws used through joint surfaces in fractures, were uniformly successful in all cases in which the fragments were firmly fixed. In dogs operated on by this method, it was impossible to tell which legs had been operated on without the most careful inspection. The time of recovery varied from one to three months.

Papers on other scientific subjects were presented by Drs. David L. Edsall of Boston, Walter Hamburger, Harry Ginsburg and Isadore Tarnpowsky of Chicago, Willard J. Stone of Toledo, O.; Cabot Lull of Birmingham, Ala.; H. L. McNeil of Galveston, Tex.; Emmet Rixford of San Francisco, Lincoln Davis, of Boston, R. L. Payne, Jr., of Norfolk, Va.; A. R. MacAusland of Boston, John C. A. Gerster of New York, Walter Lathrop of Hazelton, Penn.; John D. Keefe of Providence, R. I.; Donald Guthrie of Sayre, Penn.; Stephen E. Tracey of Philadelphia, John D. BUY SHOES NOW

The great war is causing a tremendous rise in leather and shoes, and is forcing prices SKY HIGH

Our Advice is to Buy Now

The millions of soldiers in Europe are using up so many shoes that the shortage of leather is becoming a serious problem, and the burden must be borne by the citizen consumer. In America this condition is hitting us hard.

We strongly advise you not to delay your purchase, not only for yourself, but for the whole family. We do not know what the future prices will be, but whatever they are, neither the retailer nor the consumer can help himself.

11:05 to 1:30—More conference with personal friends and politicians.
1:30—Leaves for auto ride.
3:00—Returns to receiving room for additional conferences.
5:00—Talks to newspaper men.
5:05 to 6:30—More conferences with personal and politicians.
6:30—Dinner.
8:00—More conferences.
11:30—Bed.

SOME REMEDIES FOR "CHIGGERS" SUGGESTED

If a bath in hot water, or in water containing salt or strong soap, is taken within a few hours after exposure in shrubbery and weeds infested with "chiggers," or "red bugs," no ill effects will be experienced. After a long exposure, however, a bath has practically no effect, and direct remedies are necessary.

After irritation has set in, and small red spots appear, the application of a moderately strong solution of ammonia to the affected parts is recommended by the Department of Agriculture's entomologists. A supersaturated solution of bicarbonate of soda, or common cooking soda of saleratus, will afford relief. Liberal applications should be made until the irritation subsides. If the suffering is severe, a dilute tincture of iodine or colloidion should be lightly applied.

MASONIC NOTICE.

Rushville Council, No. 41, Royal and Select Masters, will confer the Cryptic degrees on Friday evening, June 16th, at 7:30 o'clock. Refreshments will follow the work. Comparisons invited.

BRUSSELS IS FULL OF SPIES

Russia at Its Worst or Constantinople Never Had Anything on This Belgium City.

PAID ACCORDING TO RESULTS

It is Charged They Manufacture Information if They Have no Genuine Dope.

(By United Press.)

its worst or Constantinople under Abdul Hamid never have been so overrun with spies as Brussels is at the present time.

Everlasting espionage has made life a burden for the Belgians and nowhere in the country are conditions so terrible as in the capital, according to reliable information smuggled across the frontier, despite all the vigilance of the kaiser's secret agents.

The spies are declared to be well paid—but only according to results. They do not draw regular salaries, but get their rewards on the strength of their reports' volume and supposed value.

Consequently, if they have no genuine information to turn in to their superiors, it is charged that they manufacture it. To be accused by them means arrest and much difficulty at the best. It is more likely to mean prolonged imprisonment.

It may mean a firing squad. A reign of terror has resulted. Nobody feels safe, even in the privacy of his own home. The people live in a constant state of nervous dread. A tap on the shoulder, prison and perhaps, death may come at any instant.

In Brussels alone it is declared there are 1,500 spies. How busy they are is proved by the extravagant style in which they live.

Whenever funds run short fresh victims must be found.

Women are numerous among the secret agents. They may be found all up and down the social scale, from the relative of Gen. von Bissing, who took advantage of her position to keep an eye on the most fashionable functions in the most exclusive residences, down to the humblest seamstress or domestic servant.

There are officers' and professors' wives, who keep watch in middle class circles.

There are the demimondaines, who send in reports from the theatres, restaurants and boulevards.

There are men formerly prominent in business, of which now, practically, there is none, who use their former connections and acquaintance to keep the German authorities posted concerning doings in financial and industrial circles.

Even the most ordinary working man is carefully watched.

A case is reported from the Rue de Flandre, in Brussels, where the driver of a brewery wagon and his assistant were arrested because, after they had unloaded a heavy barrel of beer, one of them remarked: "The kaiser himself could not have done it so neatly."

INDIANA MAN IS HIGHLY HONORED

W. A. Gelker, M. D., Former Head of State Tuberculosis Sanatorium, Wins Deserved Promotion

AT CHICAGO INSTITUTION

He Becomes Superintendent of Municipal Sanatorium, Largest of its Kind in the World

Indianapolis, Ind., June 16.—An Indiana man has been appointed head of the largest tuberculosis sanatorium in the world. This message was confirmed today at the office of the Indiana Society for the Prevention of Tuberculosis where it was learned that D. A. Gekler, M. D., who was from 1912 to 1915 Medical Superintendent of the Indiana State Tuberculosis Sanatorium at Rockville, was appointed by the directors to succeed Charles A. Coon, M. D., as Superintendent of the Municipal Tuberculosis Sanatorium of Chicago.

This ideally planned and built institution for which the late Dr. Theodore B. Sachs in April gave his life, will, it is hoped, now go on to completion and accommodate the 950 patients for which it was designed. The directors and city administration, after being overwhelmed by a popular protest that took material and tangible form in the recent city election, have assured Dr. Gekler that his hands will be free to develop the institution along the lines of his choice which means that the great institution may serve the tuberculosis patients for whom it was originally designed. Such an end will justify the thought, work and money which Dr. Sachs and the people of Chicago have so wisely invested in the care of the tuberculosis of the City.

It is of interest that Dr. Gekler at Rockville, Indiana, was among the first to demonstrate to Dr. Sachs the method of successful pneumothorax or lung compression which was then in use by Dr. Gekler and a very few other of the most progressive medical men in tuberculosis work. Dr. Gekler was soon brought to Chicago to explain the method to the Chicago medical men and, upon the building of an expert staff of men for the new Chicago Sanatorium, Dr. Gekler won the position of Associate Director. The positions were filled by civil service and open to all medical men in the entire United States.

Dr. Gekler held that, as a measure in the interest of both human kindness and of scientific treatment an infirmary department for those especially ill should be provided by legislative appropriation in the Indiana State Sanatorium at Rockville. In view of his excellent work at Rockville and his rapid promotion since leaving the Indiana Institution importance is attached to this final recommendation of Dr. Gekler in behalf of the Indiana State Sanatorium.

KNOW IT WELL

Familiar Features Well Known to Hundreds of Rushville Citizens

A familiar burden in many homes. The burden of a "bad back." A lame, a weak or an aching back. Often tells you of kidney ills. Doan's Kidney Pills are for weak kidneys.

Here is Rushville testimony. Mrs. Jacob Roth, 820 N. Perkins St., Rushville, says: Doan's Kidney Pills have been used time and time again by different ones of the family and they have never failed to give perfect satisfaction. For rheumatic pains, kidney and bladder trouble, I know that Doan's Kidney Pills can be relied upon to bring almost immediate relief. I have such faith in this medicine that I never fail to speak a good word for it, whenever I hear anyone complaining of kidney trouble." (Statement given March 9, 1910.)

On Aug. 26, 1915, Mrs. Roth said: "In my opinion there is nothing better for the kidneys than Doan's Kidney Pills. I keep them in the home all the time, even though they are seldom needed. I think that they were the means of keeping one of the family alive and not only that, but I have used them with great success myself."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Roth has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement.)

DISAGREE WITH THE STATE BOARD

County Board of Review Does Not
Feel That Amount of Persons
Taxes is Valid Debt

QUESTION NOT RAISED HERE

However, Local Officials Feel Rul-
ing From Attorney General
Would be of Interest Anyway

Members of the Rush county board of review do not agree with the state tax commissioners and Charles J. Orbison, counsel for the board, in ruling on a Bartholomew county problem in which the question was raised as to whether the amount of a person's taxes constituted a legal debt and should be deducted from the amount of the assessment.

The tax board's attorney held that unpaid debts are a debt and can be deducted by the taxpayer from the amount of listed taxable property, such as mortgages, annuities, etc. The local board does not believe this to be the case and although the question has not been raised here, an opinion from the attorney general would be of interest.

The question arose from claims made by taxpayers before the Bartholomew board of review and as the thing looked pretty big to the county assessor and board it was referred to the state board and in turn was passed on to their attorney. Orbison understood the matter fully and thought that everybody should have the same understanding.

In his answer giving his opinion he said that he regarded "that the party had a right to make such deduction and that taxes due the state constitute a bona fide indebtedness against the property the same as a debt owing to the party by any individual."

The impression then got out that the taxpayer had the right to deduct the amount of his taxes from the total assessment of his property. If that were the case it was then asked, why can't a man deduct the amount of his annual water bill, and the amounts of other bills that he knows are as certain as the rising sun, from his assessment? The situation showed a large field of possibilities and Orbison was appealed to again.

It was then that he explained that his ruling referred only to mortgages and annuities and had no connection with personal property or real estate. He stated that personal bills could not be treated in the same way because they are not debts until they become due. Taxes become due, he said, after March 1 and then to be classed as debts.

Members of the board of review here recalled a time when the amount of a man's taxes were classed as debts and deducted from the assessments on personal property, especially money. It used to be common, they stated, sixteen or seventeen years ago for a man to give in his money for taxation and then deduct the amount of the taxes. Now the people draw their money from the bank and pay their taxes before the first of March in order to avoid the assessor. This old custom was abandoned because people took advantage of the assessor and many times gave in the amount of their taxes to be deducted higher than was actually the case.

Ray Strode of Milroy, formerly of this city, has been awarded the contract for remodeling the Sandusky school building for \$620. The auditorium of the building will be divided into two rooms for class rooms.

WEEDS KEEP UP WITH CORN

Farmers Say Latter is Growing
Rapidly Because of Much Rain

Farmers whose idleness has been forced on them by the continued rain and who were in Rushville today declared that the corn was growing rapidly due to the heavy downfall almost every day for two weeks. And in the meantime, they declare, the weeds are keeping pace with the corn and give promise of thriving just as well. Farmers are anxious now to get into their fields and plow at the first moment. But, as one farmer remarked today: "I have grown lots of good corn crops in wet seasons, but I never had one in a drouth."

COURT TERM TO END ON JULY 1

Next Several Days Will be Busy
Ones Because Cases Are Set For
Almost Every One.

STEWART WINS JUDGMENT

Judge Sparks heard the case of Charles Bridges against Elmer Stewart this morning and found for the defendant and assessed the costs against the plaintiff. The suit was to recover on a judgment, the demand being \$325.

The suit of Arthur Snider, by his next friend, Frank Snider against Carl McCarty was dismissed by agreement at the costs of the defendant. The suit was based on an account and the demand was \$100.

Judge Sparks has fixed July 1 as the final day of this term of court. Court will adjourn on this date for the summer vacation and will be "dark" until the first Monday in September, when the September term will open. The remainder of this term promises to be busy as cases are set for almost every day.

RUN INTO HERD OF CATTLE ON A HILL

Automobile Knocks Two Over Em-
bankment and Third Lands on
Radiator, Kicking Violently

FRED CLEVENGER IN THE CAR

Meeting a herd of cattle on a sharp curve on Bunker hill yesterday afternoon, Marlan Freeland of Greensburg and a party of friends, including Fred Clevenger of this city, in an automobile figured in an accident which for a time looked serious. The heavy machine was coming down the hill, and suddenly rounding the curve in the center of the hill, ran into the herd.

Two of the steers were hurled from the road, plunging over the steep embankment. A third steer was thrown across the radiator, smashing the windshield and damaging the engine, hood and fenders. The steer on the radiator kicked violently, knocking the driver's hat off and one hoof grazed the other occupant of the front seat. The men in the car jumped and succeeded in pulling the steer off the machine. Besides Clevenger and Freeland, the other occupants were Griffin Alley and William Miller of Greensburg.

LOSSES TO LIVE STOCK ARE LESS DIVIDED ON THE SUFFRAGE PLANK

Department of Agriculture Finds
Epidemic of Hog Cholera is
Now on the Wane

6.6 PER CENT OF SUPPLY DIED

Losses in Past Years From This
Disease in Indiana Exceed-
ed Ten Per Cent

Losses of live stock from disease and exposure during the past year were moderately smaller than the 10 year average of such losses, and the condition as to health and flesh of animals on Apr. 1 was slightly better than average, according to estimates based upon reports of agents and reporters of the Bureau of Crop Estimates, U. S. Department of Agriculture.

The epidemic of hog cholera seems to be on the wane; for the total losses of hogs from disease last year is estimated at 6.6 per cent of the total supply, as compared with about 10 per cent a year ago, 11.9 per cent two years ago, 11.0 per cent three years ago, 8.9 per cent four years ago, 4.5 per cent five years ago, and 4.5 per cent six years ago. The development and decline of the epidemic may be observed from these figures. During the past year losses still amounted to or exceeded 10 per cent of the supply in Ohio, Indiana, Arkansas, and Florida.

One important reason for smaller losses of live stock from exposure is the increasing practice on the ranges of feeding hay, generally alfalfa, to the sheep and cattle, when the winter is severe and grazing difficult. Stock is thus kept in better condition, and losses from exposure become less.

For the entire United States the losses of horses and mules from disease during the past year are estimated as 1.75 per cent, compared with a ten-year average of 1.95 per cent of the supply; losses of cattle from disease, 1.96 per cent, compared with the ten-year average of 2.01 per cent; losses of cattle from exposure, 1.07 per cent, compared with the ten-year average of 1.56 per cent; losses of sheep from disease, 2.16 per cent, compared with the ten-year average of 2.48 per cent; losses of sheep from exposure, 2.17 per cent compared with the ten-year average of 3.11 per cent; losses of lambs from disease and exposure, 5.22 per cent, compared with a five-year average of 5.99 per cent; losses of swine from disease, 6.63 per cent, compared with a ten-year average of 6.62 per cent.

The condition as to health and flesh on April 1, 1916, and the average on April 1 of the past ten years, are relatively as follows: horses and mules, 96.7 and 96.2; cattle, 96.0; sheep, 96. and 95.4; swine, 94.2 and 94.0.

The number of breeding sows in the United States is estimated to be about 1.6 per cent more than on April 1 last year. The increases are mostly in the southern States.

HOOSIER HURT IN JAPAN

(By United Press.)

Sapporo, Japan, June 16.—Art Smith, the American aviator of Fort Wayne, Ind., was seriously injured in the right leg today when his aeroplane fell while he was making a flight.

An ice-cream social was held at Sexton last evening in the town hall. A good crowd was in attendance and about fifteen dollars was cleared.

Democratic Resolutions Committee
Submits Two Reports, Differ-
ing on a Minor Point

EACH SIDE TO DEFEND COURSE

Longest and Most Important Plank
Is That on "Americanism"—
Administration Indorsed

(By United Press.)
Columbus, St. Louis, June 16.—Just as the Democratic national convention saw visions of early adjournment this afternoon with the adoption of the platform presented by Chairman Stone of the resolutions committee, Governor Ferguson of Texas upset plans with the presentation of a minority platform report on the suffrage plank. It was unaccepted.

Rather than take any chances of a divided party, Chairman James ordered that the majority and minority views be presented in a thirty-minute debate for each side.

There was little expectation, however, but that the majority report would be adopted by a large majority.

The Ferguson report differed from the majority report only on the suffrage plank. The report of Ferguson and three other members of the resolutions committee simply makes more emphatic the exclusion to women in southern states, objected to because such provision would complicate the franchise granted negroes.

The platform begins with a review of the Wilson administration.

"We indorse the administration of Woodrow Wilson," is the opening sentence. "It speaks for itself. It is the best exposition of sound policy at home and abroad. We challenge comparison of our record, our keeping pledges, and our constructive legislation with those of any party of any time."

The longest and one of the most important planks in the platform is that on "Americanism." The Democratic party, according to this plank, "summons all men of whatever origin or creed who counts themselves American to join in making clear to all the world the unity and consequent power of America in this day of test, America must show itself not a nation of partisans but a nation of patriots."

Hyphenated Americanism is denounced in the following words: "Whoever actuated by the purpose to promote the interests of a foreign power in disregard of our own country's welfare or to injure this government in this foreign relations or cripple or destroy its industries at home and whoever by arousing prejudices of a racial religious or other nature, creates a discord and strife among our people so as to obstruct the wholesome process of unification is faithless to the trust which the privileges of citizenship repose in him and disloyal to his country."

The groups working toward this end are condemned in strong language. The platform declares for "an army fully adequate for the protection of a nation's rights" and a "navy worthy to support the great naval position in this world."

The course of the Wilson administration in European affairs is approved as well as the Wilson Mexican policy. "Necessity of American troops remaining in Mexico until order is restored is emphasized."

The Philippines independence bill as passed by the house is indorsed.

The seamen's act passed by congress is indorsed and the party is pledged to an amendment of the federal child labor law, the creation of

WILL APPEAL GAS CAUSES

To Continue Fight to Have Law De-
clared Unconstitutional

The City of Rushville has filed its precept in the two gas rate cases giving notice that the cases will be taken to the supreme court. The cases are those directed against the Public Service Commission in which it was attempted to declare the law unconstitutional and the appeal, will be taken on the grounds that the court erred in overruling the demurrers of the city. The case will thus go to the supreme court on the issues raised here.

ROOSEVELT READS ANTI-HYPHEN PLANK

Refuses to Comment on "American-
ism" Declaration in the Dem-
ocratic Convention

T. R. INJURY IS IMPROVING

(By United Press.)
New York, June 16.—Colonel Roosevelt today received and "read very carefully the "pro American anti-hyphen" plank to be part of the Democratic platform but declined to comment.

"I am in private life and wish to be treated as a man in private life. I do not wish it to appear that I have gone back on anything I have said," he declared. The Colonel was in his street clothes and walked about easily. He showed signs of being in pain when he talked. He reiterated, however, that his injury is painful rather than serious and that he will be all right speedily.

RUSSIANS SEEK TO CUT OFF AUSTRIANS

Hope to Intercept Communications
Between Lemberg and South-
ern Points of Line

AUSTRIANS ARE STIFFENING

(By United Press.)

London, June 16.—With Czernowitz semi-officially reported captured, the Russian offensive is now driving westward towards Stanislaw in an effort to cut completely the Austrian communications between Lemberg and all of the southern points of the line.

If the Russians are successful, the Austrian Czernowitz army will either have to stand its ground or retreat through the Carpathians and down onto the plains of Hungary. For the Russians to reach and occupy the rich farming country of the plains would be a serious blow to the central powers, now practically dependant on the coming harvest for enough food to enable them to continue the war.

Reports from Berlin, Petrograd and Vienna all make plain that the Austrians in an effort to prevent the complete cut have stiffened their defense but the Russians continue to advance steadily.

CARTHAGE BOY IN ARMY.

Ralph C. (Rica) Ervin, who left Carthage a few years ago, has enlisted in the U. S. Army service, and is in the Hospital Corps at Columbus Barracks, Ohio. He recently made a trip to New Mexico.

MANY DELEGATES LEAVE ST. LOUIS

Remnant of Those Left is Slow in
Arriving at Opening of Dem-
ocratic Convention

STONE APPEARS AT 12:30

When Chairman James Raps For
Order, Half the Galleries are
Vacant and Floors Empty

(By United Press.)

Columbus, St. Louis, June 16.—Tired, hoarse, sleepy-eyed and bedraggled but happy, Democracy's leaders met at 11:29 today to announce the principles on which their candidates, Wilson and Marshall, will seek re-election. Adoption of a platform was the sole business before the delegates. A great many of the delegates had departed and the remnant of these left was very slow in arriving.

When Chairman James rapped for order, half the galleries were vacant and huge sections of chairs on the floors were empty.

After a period of waiting, during which Senator Reed of Missouri delivered an address, Senator Stone of Missouri was recognized at 12:30 to submit a report of the committee on resolutions.

After one of the longest sessions in the history of the party, marked by bitter discussions on the framing of some issues, the resolutions committee announced at eight o'clock today that the platform upon which Woodrow Wilson will make his second campaign for the presidency was practically completed and would be ready to submit to the convention when it convened for its final session at eleven o'clock.

Chairman Stone of the committee announced that the principal planks of the platform as agreed upon by the committee had been read by President Wilson over the telephone and that the president declared they were satisfactory.

Though the platform was announced as completed, there was one question which was scheduled to be carried to the floor of the convention. This was in relation to woman's suffrage. The committee fought out the equal ballot pledge for hours. It defeated 20 to 22 a plank for straightout declaration in favor of a federal constitutional amendment to give women the vote. It adopted by a vote of 25 to 20 the following statement:

"We recommend the extension of the franchise to the women of the country by the states upon the same terms as to men."

The language of the Mexican plank and of that referring to the Democratic foreign policy were also stumbling blocks but there was expected to be little opposition in the convention to these two planks as framed.

PLAY AT LEWISVILLE.

The Rushville Reserves, a local team composed of players from the Knights of Columbus and Red Men's teams of the fraternal league will play the fast Lewisville team there Sunday. The Lewisville team has not been defeated this year and the locals hope to turn the trick.

GETS NEW GYM.

Crawfordsville, Ind., June 15.—Wabash College is assured of a new gymnasium it became known today. Several contributions were made during commencement week which complete the \$50,000 desired. Work will be started within a short time according to President George L. Mackintosh.

Newest and Smartest Dresses for Misses and Women

As is our custom on all our statements, we make good on the above. The time is entirely past when it is impossible to procure apparel that is perfectly suited to the warm weather season. Come and allow us to show you among the things from our splendid stock for summer wear—these Dresses—and we will convince you not only that they are also highly desirable because of their character of fabric and harmony of design, but make an effect most pleasing to both yourself and your friends.

You will find the cost of dressing really artistically very moderate just now.

—Miss Corine Amos is spending the week-end in Indianapolis. She will attend the performance of Siegfried at the Coliseum tomorrow evening.

FEATHER PILLOWS

Your sheets are rarely used longer than a week and you make this change of your Bed Linen so as to be clean and thereby keep healthy. Did it ever occur to you that your "Feather Pillow" while they are invariably encased in a pillow case, also become soiled, unclean, unsanitary and possibly unhealthy from use?

We Wash and Sterilize your Feather Pillows in a neutral soap, drying them in our Dry Room at a temperature of 240 degrees Fahrenheit, leaving each and every feather light and fluffy, just the way you would have them.

The cost is 25 cents. Give us one this week and compare it with its mate when returned.

MINISTER IS GIVEN RELIEF

The Rev. William Heflin, Pastor of Old Christian Church, Aided by Tanlac

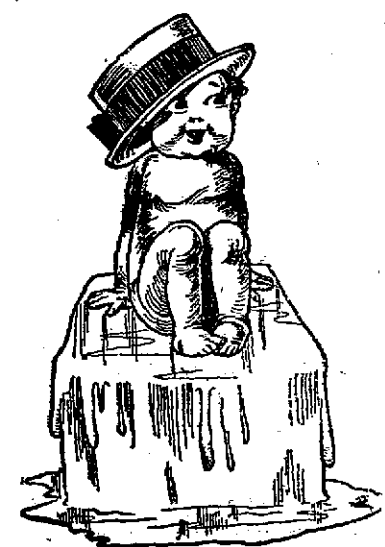

Kokomo, Ind., June 15.—A minister of the gospel has added his words of praise for Tanlac, the Master Medicine. He is the Rev. William Heflin, pastor of Old Christian church, rural route No. 1, Russia, Ind., southwest of this city. The Rev. Mr. Heflin said:

"For five years I suffered with sciatic rheumatism and stomach trouble. My limbs would become swollen; indigestion bothered me; gas formed on my stomach.

"The swellings of my limbs occur no more since I have taken Tanlac. The indigestion has been relieved so that I can eat anything I care for. Tanlac certainly has helped me wonderfully."

Tanlac is especially beneficial for stomach, liver or kidney trouble, catarrhal complaints, rheumatisms, nervousness and the like, and is excellent for relieving the after effects of hard coughs, colds, lagrippe, pneumonia and the like. Tanlac is now sold exclusively in Rushville at F. E. Wolcott's drug store; and in Arlington at Mrs. L. T. Davis's; in Carthage at J. H. McCarthy & Son; and in Milroy at Barton & Sheppard's."

Claims of Long Descent

George V. is descended from Robert Bruce, King of Scotland, and so also is Theodore Roosevelt. So also are some hundreds of thousands of other persons less known to fame, for distinctions of this sort are very widely shared. According to the author of Browning's "Americans of Royal Descent," Col. Roosevelt is descended, through the Bullocks and Irvines of Georgia, from the lairds of Tiliwhilly and through the latter from several Scottish kings, including Robert Bruce. With or without his consent, Col. Roosevelt is made a remote cousin of the present king of England.

But King George does not stop at Robert Bruce, nor need Col. Roosevelt, for in this matter of the descent of people from previous people there is no end until we reach the beginning. Several years ago Rev. Mr. Hyde, rector of Trinity Episcopal Church at Weymouth, Mass., announced that he had traced the descent of George V., through the marriage of a daughter of King Zedekiah to an Irish king, back to David's royal line, and thence to

Adam himself—concluding: "God said he would establish the throne of David forever and that David would never cease to have a descendant. George V. is a fulfillment of these words; for he is a descendant of David and he sits upon the throne of Israel."

This is entertaining enough for print, but it will not deeply impress either the historian or the philosopher. If it be taken for granted that Adam was really the first individual man and therefore the father of all mankind, what becomes of the pride of such ancestry, in which Indians, Chinese, negroes and all the savage tribes of the world share equally with white men and with King George? And inasmuch as the kings of Israel had hundreds of wives or concubines, the honor of descent from them is now also shared among too many millions to be of any particular value, even where the descent can be traced; and it may well be doubted whether it can be traced, except perhaps in the case of a few Jewish families that managed to keep their heads above water (and their records dry) during many centuries of dispersion and persecution.

No doubt King George can go back to the first race of men, and Col. Roosevelt can follow him, but the distinction fails to distinguish because we all are part and parcel of the mighty procession that marches abreast of them, whether we have records to show for it or not.

On Wednesday of next week the sun will start back on its southern trip to a point below the equator and the longest day of the year will be reached. And none of that knee deep in June stuff yet!

But how can one live within one's means when there are so many friends with automobiles. Looks like owning one would be as cheap.

It is apparent that the wind of the Democratic spellbinders would not hold out and the national convention, which was to have held until past midnight tonight, was to be cut short some time today.

Reports from St. Louis are that the Democratic platform will not bear much resemblance to the draft Wilson sent from the white house to have adopted. Mercy, are the platform makers not afraid of the Wilson big stick?

Some people are so pleased with their own responsibility that they are a source of painful vividness to all others.

HUNDRED LEADING HOOSIERS

Asa Iglehart (77)

Judge Asa Iglehart, an eminent Indiana jurist, came of an old Maryland family. Asa was born in Ohio, December 8, 1817. During his boyhood Asa worked in the fields by day and studied by the firelight at night. He managed to obtain some law books which not only did he study at night, but carried them to the fields with him.

In 1849 he began the practice of law in Evansville. In 1854 he was appointed judge of the court of common pleas.

In 1858 Iglehart resumed the practice of law and never entered politics again. He was the first president of the state bar association and was one of the founders of the American Bar association. Iglehart was the author of a number of writings on law. He died in 1887.

It's all right, Mary—We don't have to worry

The operation won't be dangerous. And my new AETNA DISABILITY POLICY will pay for it, and besides will bring us in \$100 every four weeks—while I'm in the hospital and on the mend at home.

Later, when I can hobble around a little, before starting work, we'll still get \$12.50 a week.

In fact, Mary, I can take that rest you've been wishing on me the past couple of years—and now neither of us need worry. I tell you, a good many men would

AETNA-IZE

if they only could foresee what burden lifts from your mind at a time like this. You never miss the little it costs for Aetna-izing, and the payments are a life-saver coming when you need them most. Do you wonder that I'm happiest after my friends to write or phone or go see

ONE QUALITY ONLY - THE BEST

ARE NOMINATED AT MIDNIGHT

Wilson and Marshall are Chosen as Standard Bearers by Democratic National Convention.

WITHOUT TAKING A BALLOT

Enthusiasm Runs High and Senator Kern is Unable to Make Marshall Nominating Speech

Coliseum, St. Louis, June 16.—President Wilson and Vice-President Marshall were renominated by acclamation by the Democratic national convention here last night, amid a great roar of applause, the enthusiasm reaching such bounds that Senator Kern, who had prepared a long speech for the presentation of Marshall's name, uttered only a few words.

Following the speech of John W. Wescott of New Jersey in nominating President Wilson a demonstration continued for forty-five minutes, and pandemonium broke loose again when Senator Kern arose to present Mr. Marshall's name. The program for a series of speeches seconding Mr. Wescott's address was abandoned and only two delegates—Former Governor Harmon of Ohio and Governor Stewart of Virginia—spoke in seconding the nomination.

On motion of Senator Hughes of New Jersey the rules were suspended and no ballots whatever were taken. The delegates simply roared "aye." When the names of Wilson and Marshall were called and Chairman James declared them nominated by acclamation.

Senator Kern, nominating Vice President Marshall, simply said: "I renominate Thomas Riley Marshall."

The nominations of both candidates were completed four minutes before midnight.

Robert Emmet Burke of Illinois, a delegate who announced he would not vote for the President, raised the only voice in opposition. He was elected as an independent.

Many delegates and spectators made a rush for the exits when the vice presidential nomination was made and in the confusion Senator James with great difficulty restored order.

The resolutions were then read and adopted appointing Chairman James and former Governor Glynn of New York chairmen of committees respectively, to notify the President and Vice President of their nominations.

Senators Hughes, Taggart and Vardaman were appointed which still was in session to learn if it was ready to report.

Practically all of the delegates remained but the galleries emptied quickly.

Senator Lewis of Illinois then was called to the platform to fill in the wait with a speech.

Senator Lewis however, cut it short, and merely thanked the crowd.

More Rheumatism Than Ever Before

Clergymen, Lawyers, Brokers, Mechanics and Merchants Stricken

Our old friend Rheumatism is having his inning this year, and a few words of caution from one who knows all about it may not be amiss. Wear rubbers in damp weather; keep your feet dry; drink plenty of lemonade, and avoid strong alcoholic drinks.

If rheumatism gets you, or sciatica, and you have sharp twinges, gnawing pain or swollen joints or muscles, you can get rid of all agony in just a few days by taking one-half teaspoonful of Rheuma- once a day.

All druggists know about Rheuma; it's harmless, yet powerful; cheap yet sure, and a 50-cent bottle will last a long time. Ask Johnson's or any druggist.

WILL TAKE ON THE STRONG METS HERE

Rushville Team, of Home Players Will Lineup Practically Same as First Game

ED CARTER'S PLACE TAKEN

The Rushville team of home players will tackle the Mets, a strong Indianapolis team Sunday afternoon at Edgewater park. The Rushville team will lineup practically the same as in the opening game. Willie (Bun) Hart of Connorsville will be at the shortstop position for Rushville in place of Eddie Carter, who has quit the team. Hart should help the hitting of the locals.

The Mets have a good reputation so far this season. Reno, their pitcher, has a record of 22 strikeouts in one game and a real duel is expected between him and Hudeelson. The Mets lineup is as follows: Poirier, center; Thompson, first base; Stewart, left field; Herron, right field; Oaks, short stop; Guy, third base; Mannon, second; Smart, catcher, and Reno pitch.

The Rushville team will lineup as follows: Harry Hawk, left field; Hart, short stop; Sharp, right field; Tompkins, first base; Spacey, catcher; Howard Hawk, second base; Miller, third base; Todd, center field; Hudeelson, pitch, and Yazel and Combs, utility. The game will be called at three o'clock.

for its applause. The crowd wanted somebody to talk and there were cries for "Tom Hefflin" and "Irvin Cobb." Hefflin took the platform.

While Hefflin was talking the conferees returned from the platform committee and reported that the platform would not be ready for the convention for two or three hours more. Senator Hughes recommended an adjournment.

Hefflin amused the crowd with a story.

When President Wilson's name had been presented, Sergeant at Arms Martin stirred up the enthusiasm by waving the Texas "one star" flag, handed over the heads of the crowd from the chairman's rostrum. Other state flags were taken to the platform.

The crowd joined in singing a medley including "How Dry I Am," "Old Black Joe," "The Red, White and Blue" and others.

After the demonstration had been under way thirty minutes New York and some other delegates resumed their seats. Waving a cane over the rail at the chairman's desk, Senator Hughes renewed the clamor by leading three cheers for the President.

The band exhausted the list of popular national airs, then turned to "Tipperary" and the crowd joined in the chorus. Then the musicians went back to American airs. Some of the delegates stopped demonstrating long enough to drain pop bottles and then went back at it again.

The band was so vigorous keeping up the din that the musicians went short of breath, so they laid back and let the bass drummer perform alone for awhile. He belabored his drum industriously until the bandmen got their second wind and then went back to "Tipperary."

Scale Books.

We have a new supply of scale receipt books, large size only containing 500 receipts. The Republican office.

TYPEWRITER RIBBONS

I have typewriter ribbons for any machine made; all standard lengths, any color, 50c. each. Louis C. Hiner at the Republican office.

The Low Cloverleaf Gives the Manure Two Healthy Beatings

WE used to think that if we threw manure onto the ground any old way and plowed it under, we were doing a good job. But now we know that won't do. To do any real good, the manure must be broken up into small pieces and spread evenly.

The Low Cloverleaf spreader is the one that does this work best. It gives the manure two healthy beatings, one with the regular beater, the other with the wide spread disks. When the manure reaches the ground in that condition your soil gets all the good there is in it, and gets it quickly. The Low Cloverleaf is one spreader it will pay you to see before you buy. See the local dealer who has one set up for you to look at.

International Harvester Company of America

Low Cloverleaf spreaders are sold by

J. W. TOMPKINS COMPANY

Long before SENRECO was offered to you we submitted it to hundreds of dentists, requesting that they put it to every test. Told them that we believed Senreco to be an unusually good dentifrice, especially as to its cleansing qualities, and its remedial action on sore, soft, bleeding gums, in the treatment of Pyorrhea, etc. Submitted the formula and asked them their opinion. They tested Senreco from every angle; some going even so far as to make a chemical analysis—

And They Voted Yes

With practically one accord—said:

"Senreco appeals to me more than any dentifrice I have ever seen." "I cannot say too much for Senreco. It's one of the best I have used." "I can recommend Senreco as the best." "Makes the teeth gleam and is free from injurious ingredients, including poisons and grit." "I am indeed glad to get a tooth paste that does the work." "Congratulations you on formulating a dentifrice that gives one a new idea of mouth cleanliness, etc." (These quotations are from the dentists' reports. Originals on file at our office.)

With such endorsements from the men who know, why not go to your dealer today and get a tube of SENRECO—25c. Keep your teeth REALLY CLEAN, and protect yourself against Pyorrhea and decay.

A copy of the folder, "The Most General Disease in the World" together with a liberal trial size tube of SENRECO will be mailed you for 6c in stamps. The Santal Remedies Co., Inc., Dept. B, Masonic Temple, Cincinnati, Ohio.

To the People of Rush County:

I am located on the north side of the square, No. 122 East Second street, and showing a splendid line of FURNITURE at prices that attract. It is true I do pay rent, a very reasonable one, but when you count interest on investment, together with taxes and insurance it amounts to a great deal more than rent, and someone has this to pay.

Less Expense — Less Price

I have no regularly equipped rest room, which is an added expense, but you are always welcome and are at perfect liberty to use any rocker or davenport in the house.

Less Expense — Less Price

My funeral parlors are always open to the public and I invite you to call; but why pay extra to get a MOTOR HEARSE (from some other city, when I have the only one in the county?)

Less Expense — Less Price

The up-keep on property and help is an added expense.

Less Expense — Less Price

Why do I sell more Furniture than ever? Answer

Less Expense — Less Price

Affairs In The Social World

Edited by Miss Frances Frazee
Phone 1111

Mr. and Mrs. Glen Abernathy entertained at Sunday dinner Mr. and Mrs. J. Adams and family and Harry Glaser of Muncie.

Mr. and Mrs. Philip Heeb entertained with a dinner today in honor of Mrs. Lilly Armstrong, of Missouri, formerly of Rushville.

The Gleaner class of St. Paul's M. E. Sunday school will meet Saturday afternoon at two-thirty o'clock with Miss Henrietta Turner at her home at 721 North Willow street.

GRAND CLUB

Mrs. Chauncey Duncan entertained the Grand Club yesterday afternoon. A profusion of roses filled the rooms. After the series of card games, dainty refreshments were served.

MRS. COWLES AT RICHMOND.

Mrs. Ione V. Cowles, of Los Angeles, Cal., who recently was elected president of the national federation of women's clubs and thus brought fame to Carthage, because it was there she was born and reared, spoke at a reception for her on Wednesday afternoon. The Richmond Item says of the reception:

Preparedness of women to enter upon the wider field in life that is opening for them was urged upon the 250 members of the local Federation of Women's clubs by Mrs. Ione V. Cowles of Los Angeles, Cal., president of the national federation in the reception that was held Wednesday afternoon in her honor at the home of Mrs. J. A. Cathell and Mrs. Ada Bernhardt, on South A street. The reception was considered one of the most brilliant and most successful events ever enjoyed by the local federation. The local women took full advantage of the first privilege ever to fall to Richmond women to entertain as their guest an officer of the national federation.

Six men attended the reception, with their wives. Mrs. Cowles' talk referred especially to preparation for philanthropic and civic work.

Mrs. Eunice Porterfield Martin, police matron of Lafayette, was one of the numerous out-of-town guests. Mrs. Martin is taking a two weeks' vacation.

Mrs. Cowles went to Indianapolis Thursday morning, after being entertained at the residence of Dr. and Mrs. O. N. Huff of Fountain City for Wednesday evening dinner and last night. Mrs. Cowles and her sister, Mrs. William A. Peterson, of Chicago, are cousins of Dr. Huff.

MISS ALMA GREEN ELECTED

Miss Alma Green of this city was elected grand instructress at the business session of the annual meeting of the Psi Iota Xi sorority in Bloomington yesterday. She was formerly grand secretary. Miss Alice Adams of Bloomington was elected president to succeed Miss Frances Frazee of this city, who was chosen at the 1915 convention held here last June. Other new officers are: grand vice president, Harriett Goodwin, Newcastle; grand secretary, Josephine Hall, Bloomington; grand treasurer, Elizabeth Hickam, Muncie; grand conductress, Fernie Connelly, Eaton, O.; grand nemesis, Louis Mason, Columbus, Ind.

At the business session it was voted unanimously that the society have a scholarship fund out of which the expenses of some worthy girl be paid each year to the summer term of a university or college of her choice. It also was voted to open future national meetings to any members of the sorority instead of restricting attendance to delegates.

The convention will close this evening with a formal dance given at the city hall. This morning a reception and dance was tendered the visitors by the Beta Sigma fraternity and this afternoon they were honored with a tea at the home of Mrs. J. E. P. Holland. A banquet was

given at the First Methodist church last evening followed by a musical and literary program.

The guests from Rushville include Harriet Vredenburg, Laura Holden, Lucile Gray, Mary Judd Carr, Marguerite Wolcott, Ruth Innis, Frances Frazee, Alma Green and Alleine Budd.

DINNER-DANCE

The ladies of the second and third divisions of the Social Club will give a dinner-dance next Tuesday evening, June 20th.

Three hundred invitations have been issued for a dance to be given at the skating rink, Wednesday June 21st. Mitchell's orchestra will furnish the music and Dr. Hale Pearsey will sing. Plans have been made to decorate the rink in an elaborate manner.

HAPPY-GO-LUCKY

Mrs. Frances Smith and Mrs. John H. Frazee entertained the Happy-Go-Lucky Club and a number of other guests this afternoon at the home of the latter in North Harrison street. The house was beautiful with its decorations of Dorothy Perkins roses and sweet peas. Mrs. Helm Woodward sent the flowers from her garden at her home in Covington, Ky. The guests other than the club members were Mrs. Cyrus Yocum, Mrs. George C. Wyatt, Mrs. Oliver Walton, Mrs. Charles Offutt, Mrs. Benjamin Hamés, Mrs. W. C. Smith, Mrs. W. E. Smith, Mrs. Frank L. France of Middletown, Penn., and Mrs. J. E. Fish of Indianapolis.

At the close of a delightful afternoon an elaborate two-course luncheon was served.

Mr. and Mrs. John C. Ingram of Chicago, formerly of Indianapolis, were in the city for a short visit yesterday on their way to attend the wedding of their eldest son, Horace Colby Ingram of Chicago to Miss Martha Marr Hogsett, which was solemnized at 4 o'clock yesterday afternoon at the home of the bride's parents in Rushville, says the Indianapolis Star. Only the near relatives were present for the ceremony. The bride wore her silken traveling suit and a corsage bouquet of orchids. Mr. Ingram will take his bride to Chicago for residence, where they will be at home after August 1. Mr. and Mrs. John C. Ingram will go East from Rushville to attend the commencement festivities at Harvard University, where their youngest son, Dwight Ingram, will be graduated next week. Dwight Ingram is one of the leading men in his class and is the president of the Crimson, the Harvard paper, a much coveted office of great honor. Mr. and Mrs. Ingram will be joined in the East by their daughter, Mrs. James M. Judson, and Mr. Judson and daughters and by their other son, Carl Ingram and his wife, all of Chicago, who will attend the commencement. Dwight Ingram will sail July 1 with a party of college students for Baluchistan, India, to assume a position as director of sports among the soldiers.

D. A. R. ENTERTAINS

The entertainment by the Rushville chapter of the Daughters of the American Revolution of thirteen members of the Lone Tree chapter of Greensburg yesterday afternoon at the home of Mrs. Lieu Oneal west of the city proved to be one of the most delightful events of the season. Mrs. Will Dill, regent of the local chapter, gave the address of welcome and Miss Johnson, regent-elect of the Lone Tree chapter responded on behalf of the guests. The remainder of the program was carried out as arranged, with the exception that Mrs. Derby Green sang the state song, "Indiana," instead of Mrs. Will Amos.

The event was in celebration of Flag Day and the Oneal home was most appropriately decorated. There was a profusion of flags, especially in the dining room where an immense flag stretched across the room and hung to the floor. Vines and flowers were also used to good effect. The dining table was arranged

with crystal candlestick holders with red candles lighted and trailing from one candlestick holder to another were vines. Crimson rainblers were also arranged on the dining table.

There were seventy women present, including the thirteen from Greensburg and three other guests. Miss Emma Donnell, state vice-regent, who is a member of the Lone Tree chapter, was present and told of the work being accomplished by the D. A. R. all over the United States.

The Tri Kappa skating party given last evening by the members of that sorority was a decided social success.

Mrs. Harry McMillin entertained a card club this afternoon. After the guests had enjoyed the afternoon at auction bridge, dainty refreshments were served.

PRISCILLA ART CLUB

Mrs. Fred Martin was the hostess for the Priscilla Art Club yesterday afternoon. All the members were present and Mrs. Lowell Vickery, Mrs. Thomas Logan and Mrs. Wilbur Gipp were guests.

READLE-FRAZEE

At three o'clock this afternoon Miss Rita Readle became the bride of Edward Frazee, son of Mr. and Mrs. Austin Frazee at the home of her sister, Mrs. Guy Mulbarger in North Jackson street. The bride was lovely in a green taffeta coat suit with hat to match and her corsage was of pink rose buds. A profusion of pink rosebuds and greenery made the house a lovely setting for the ceremony which the Rev. Carl Burkhardt performed. After an automobile trip through Ohio Mr. and Mrs. Frazee will return to their newly furnished home on a farm near Orange.

SUNSHINE EMBROIDERY CLUB

Mrs. Lillian Ray was the hostess yesterday afternoon for the Sunshine Embroidery Club. The rooms were fragrant with many roses and sweet peas. Dainty refreshments were served after the guests had spent the afternoon with their sewing. Aside from the club members, Mrs. Loraine Thompson, Mrs. Russell Baker and Mrs. Susie Hacker were guests.

WARFIELD-KIMMELL

A very pretty home wedding took place last evening in Indianapolis at the home of James Warfield when his youngest daughter, Cora was united in marriage to William Ira Kimmel of Logansport. The ring ceremony was performed in the presence of fifty guests. The Rev. Mr. Thayer performed the ceremony. The bride was lovely in white taffeta draped in Georgette crepe, and her flowers were white roses. The house was beautifully decorated in the wedding colors of pink and white. Mr. and Mrs. George King of this city attended the wedding. Miss Warfield is a sister of Mrs. King's and formerly lived in Rushville. Mr. and Mrs. Kimmel will be at home on Jefferson Ave., Indianapolis.

Amusements

"The Two Edged Sword" is the title of the feature picture at the Princess tonight. Edith Storey, Evart Overton, Gailford Logan and Nellie Anderson are featured. It is said to be a very dramatic picture with a novel plot but one that will hold attention to the very last. It is cleverly staged and artistically acted. One of the big scenes is an automobile collision, which is very realistic and add much to the picture. Tomorrow a big double program will be given including the two act drama "Under Royal Patronage," the comedy "Freddy the Fixer" and the drama "Her Partner."

Mr. and Mrs. Harry McMillin and children accompanied Mr. and Mrs. Herman Tompkins and son John to Liberty yesterday for the Centennial celebration. The trip was made in a machine.

All Up-To-Date Housekeepers Use Red Cross Ball Blue. It makes the clothes clean and sweet as when new. All Grocers.

THE MAUZY CO.

The Store That Sells Wooltex

Wash Skirts that are trim and stylish

—the first time you wear them and after you launder them

—Wooltex-shrunk, Wooltex-tailored.

Never before was so much fashionable beauty seen in tub skirts as in these snow-white skirts from the Wooltex tailors.

Made of cotton gabardine, piques, polo cloth, waffle stripe, linens and other summer fabrics in the choicest patterns. Every piece is Wooltex-shrunk by a special process before cutting.

Tailored by the same tailors and in the same way as the famous Wooltex tailored wool skirts—re-inforced waist bands; seams carefully basted before stitching; button holes that will not ravel or tear out; buttons and fasteners firmly sewn on.

Other Wash Skirts, including many stripes \$1.25 to \$2.00

You'll see none to equal these Wooltex-shrunk Wash Skirts at \$2.50 to \$7.50

A beautiful showing is here of tub frocks, either white or colors, and include dresses, one or two piece, of voile, organdie, net, linen, gabardine, silverbloom, and pique. You are invited to see them.

The Chautauqua

Smartly tailored tub skirts in cotton gabardine or polo cloth; diagonal pockets with flaps decorated with big pearl buttons; a graceful, attractive skirt at \$3.00.

Mystic Theatre

A Colossal Photo Spectacle

"CABIRIA"

The last word in motion photographic art comes to the

Last Times 6 and 9 Tonight

Gabriele D'Annunzio, who is unquestionably Italy's foremost dramatist, wrote and personally staged the photo spectacle, "CABIRIA." Experts in motion photography predict a new epoch with the introduction of this remarkable film, which is a historical vision of the third century B. C., immediately after the close of the first Punic war. It has never been equalled for regal splendor and barbaric magnificence. Its cast is composed of the best known players of Rome and the ensembles, mobs and armies number over seven thousand people.

D'Annunzio has taken as a basis of this story the strife between Carthage and the Romans, at the time Hannibal took command of the Carthaginian forces, and surprised his antagonists by crossing the Alps with his army. The romance of "CABIRIA" is fictional, but the action and main facts, historical. "Cabiria" the title is the principal character of the scenario. The name means "one rescued from the flames" and Cabiria, an infant

child, taken prisoner during the eruption of Mt. Etna, is sold into slavery. The high Priest of the Temple of Moloch was the purchaser and the infant is kept with others until the time arrives for her to be sacrificed to Moloch, whom the Carthaginians worshipped as the God of Fire. She is saved by a young Roman, "Fulvius," and her experiences and sensational escape with the assistance of a veritable Hercules, form the nucleus of the plot. 1200 scenes, a cast of 7,000 characters, herds of elephants and camels—a \$250,000 production.

Last Times 6 and 9 O'clock Tonight

Don't Let Soap Spoil Your Hair

When you wash your hair, be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mul-sified coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

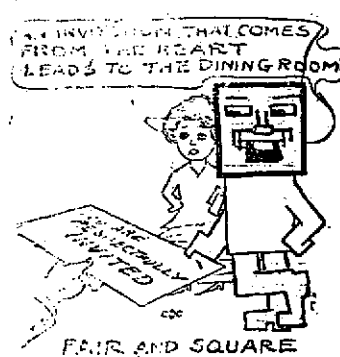

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

We Have a HUNCH

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

MOTORIST BLINDED BY A HEAVY STORM

Will Fisher's Machine Crashes Into Open Culvert and the Rev. U. G. Abbott is Hurt.

OTHER OCCUPANTS ESCAPE

Blinded by the heavy rain storm of Wednesday evening, Will Fisher of Richland township, lost the road and the automobile which he was driving crashed into an open culvert. The Rev. U. G. Abbott, pastor of the Richland Methodist church was severely cut about the arms and face and sustained a painful injury to one of his legs.

The accident occurred near the William Anderson home south of this city. The party was on the way home from here when overtaken by the rain. Mr. Fisher tried to keep going despite the fact that he could not see the road. The front wheels of the machine were smashed and the car otherwise damaged. None of the occupants, with the exception of the Rev. Mr. Abbott, was injured.

LIBERTY HOLDS CENTENNIAL

Liberty Stages Parade Composed of 50 Historical Floats

Liberty, Ind., June 16.—The state centennial celebration for Union County was held here yesterday, beginning with a parade at 11 o'clock, in which there were more than fifty floats, picturing scenes of historical interest or representing community enterprises. Hundreds of decorated automobiles were in line. The Indianapolis Newsboys' Band took part in the entertainment. College Corner, O., sent a large delegation and brought a band. In the afternoon old-fashioned dances were given in costume on the Court House lawn by some of the older citizens. Children in colonial costumes danced the minuet and the Virginia reel. An address was made at the Stanley Memorial Building by Archibald M. Hall of Indianapolis. One of the largest crowds ever in Liberty attended, the day also being homecoming day.

County News

Continued from Page 2.

attended church where Lowell Beech conducted the services.

Harry Headley will preach this coming Sunday evening at the Christian church here. Everyone is invited.

A lawn festival will be given at the C. U. church Saturday night.

The Christian Sunday school class was entertained by Fay Mahin Tuesday evening.

Oscar Miller fell in a cellar and was painfully injured, but is gaining strength. Mr. Miller's father, who has been very ill, is recovering.

Lowell L. Beech will preach at Rays Crossing next Sunday evening. Everyone invited to attend.

NAILS USED IN JOINT FRACTURE

Surgeons Can Repair Broken Bones Just as Carpenter Can Fix Broken Chair Leg

CAN SCREW THEM TOGETHER

In Dogs Operated on by This Method It is Impossible to Tell Broken Limbs

Detroit, Michigan, June 6.—The modern surgeon can repair broken bones just as a carpenter can fix a broken chair leg. The use of nails and screws in uniting broken bones was advocated by Dr. Arthur T. Mann of Minneapolis, in a paper read yesterday before the Section on Surgery of the American Medical Association, which is holding its Sixty-Seventh Annual meeting in Detroit. A series of experiments undertaken to demonstrate the results of nails and screws used through joint surfaces in fractures, were uniformly successful in all cases in which the fragments were firmly fixed. In dogs operated on by this method, it was impossible to tell which legs had been operated on without the most careful inspection. The time of recovery varied from one to three months.

Papers on other scientific subjects were presented by Drs. David L. Edsall of Boston, Walter Hamburger, Harry Ginsburg and Isadore Timpanowsky of Chicago, Willard J. Stone of Toledo, O.; Cabot Lall of Birmingham, Ala.; H. L. McNeil of Galveston, Tex.; Emmet Rixford of San Francisco, Lincoln Davis, of Boston, R. L. Payne, Jr., of Norfolk, Va.; A. R. MacAusland of Boston, John C. A. Gerster of New York, Walter Lathrop of Hazelton, Penn.; John D. Keefe of Providence, R. I.; Donald Guthrie of Sayre, Penn.; Stephen E. Tracey of Philadelphia, John D. 6:30—Dinner.
8:00—More conferences.
11:30—Bed.

SOME REMEDIES FOR "CHIGGERS" SUGGESTED

If a bath in hot water, or in water containing salt or strong soap, is taken within a few hours after exposure in shrubbery and weeds infested with "chiggers," or "red bugs," no ill effects will be experienced. After a long exposure, however, a bath has practically no effect, and direct remedies are necessary.

After irritation has set in, and small red spots appear, the application of a moderately strong solution of ammonia to the affected parts is recommended by the Department of Agriculture's entomologists. A supersaturated solution of bicarbonate of soda, or common cooking soda of saleratus, will afford relief. Liberal applications should be made until the irritation subsides. If the suffering is severe, a dilute tincture of iodine or colloid should be lightly applied.

MASONIC NOTICE

Rushville Council, No. 41, Royal and Select Masters, will confer the Cryptic degrees on Friday evening, June 16th, at 7:30 o'clock. Refreshments will follow the work. Companions invited.

BRUSSELS IS FULL OF SPIES

Russia at its Worst or Constantinople Never Had Anything on This Belgium City.

PAID ACCORDING TO RESULTS

It is Charged They Manufacture Information if They Have no Genuine Dope.

(By United Press.)

its worst or Constantinople under Abdul Hamid never have been so overrun with spies as Brussels is at the present time.

Everlasting espionage has made life a burden for the Belgians and nowhere in the country are conditions so terrible as in the capital, according to reliable information smuggled across the frontier, despite all the vigilance of the kaiser's secret agents.

The spies are declared to be well paid—but only according to results. They do not draw regular salaries, but get their rewards on the strength of their reports' volume and supposed value.

Consequently, if they have no genuine information to turn in to their superiors, it is charged that they manufacture it. To be accused by them means arrest and much difficulty at the best. It is more likely to mean prolonged imprisonment.

It may mean a firing squad.

A reign of terror has resulted. Nobody feels safe, even in the privacy of his own home. The people live in a constant state of nervous dread. A tap on the shoulder, prison and perhaps, death may come at any instant.

In Brussels alone it is declared there are 1,500 spies. How busy they are is proved by the extravagant style in which they live.

Whenever funds run short fresh victims must be found.

Women are numerous among the secret agents. They may be found all up and down the social scale, from the relative of Gen. von Bismarck, who took advantage of her position to keep an eye on the most fashionable functions in the most exclusive residences, down to the humblest seamstress or domestic servant.

There are officers' and professors' wives, who keep watch in middle class circles.

There are the demimondaines, who send in reports from the theatres, restaurants and boulevards.

There are men formerly prominent in business, of which now, practically, there is none, who use their former connections and acquaintance to keep the German authorities posted concerning doings in financial and industrial circles.

Even the most ordinary working man is carefully watched.

A case is reported from the Rue de Flandre, in Brussels, where the driver of a brewery wagon and his assistant were arrested because, after they had unloaded a heavy barrel of beer, one of them remarked: "The kaiser himself could not have done it so neatly."

Thousands of Stomach Sufferers owe their complete recovery to Mayr's wonderful Remedy. Unlike any other for Stomach Ailments. For sale by Frank E. Wolcott and druggists everywhere.

INDIANA MAN IS HIGHLY HONORED

W. A. Gelker, M. D., Former Head of State Tuberculosis Sanatorium, Wins Deserved Promotion

AT CHICAGO INSTITUTION

He Becomes Superintendent of Municipal Sanatorium, Largest of its Kind in the World

Indianapolis, Ind., June 16.—An Indiana man has been appointed head of the largest tuberculosis sanatorium in the world. This message was confirmed today at the office of the Indiana Society for the Prevention of Tuberculosis where it was learned that Dr. A. Gekler, M. D., who was from 1912 to 1915 Medical Superintendent of the Indiana State Tuberculosis Sanatorium at Rockville, was appointed by the directors to succeed Charles A. Coon, M. D., as Superintendent of the Municipal Tuberculosis Sanatorium of Chicago.

This ideally planned and built institution for which the late Dr. Theodore B. Sachs in April gave his life, will, it is hoped, now go on to completion and accommodate the 950 patients for which it was designed. The directors and city administration, after being overwhelmed by a popular protest that took material and tangible form in the recent city election, have assured Dr. Gekler that his hands will be free to develop the institution along the lines of his choice which means that the great institution may serve the tuberculosis patients for whom it was originally designed. Such an end will justify the thought, work and money which Dr. Sachs and the people of Chicago have so wisely invested in the care of the tuberculosis of the City.

It is of interest that Dr. Gekler at Rockville, Indiana, was among the first to demonstrate to Dr. Sachs the method of successful pneumothorax or lung compression which was then in use by Dr. Gekler and a very few other of the most progressive medical men in tuberculosis work. Dr. Gekler was soon brought to Chicago to explain the method to the Chicago medical men and, upon the building of an expert staff of men for the new Chicago Sanatorium, Dr. Gekler won the position of Associate Director. The positions were filled by civil service and open to all medical men in the entire United States.

Dr. Gekler held that, as a measure in the interest of both human kindness and of scientific treatment an infirmary department for those especially ill should be provided by legislative appropriation in the Indiana State Sanatorium at Rockville. In view of his excellent work at Rockville and his rapid promotion since leaving the Indiana Institution importance is attached to this final recommendation of Dr. Gekler in behalf of the Indiana State Sanatorium.

SO STRICT IN SHIRLEY NO "GAS" IS SOLD SUNDAYS.

Automobile drivers in and around Shirley, who do not stock up on gasoline before Sunday will have to walk or drive horses, if a blue stocking order issued by the town marshal, Joshua Ratcliff, is carried out.

The town marshal and the town council and citizens are somewhat at variance, according to the Shirley News of this week, and, on petition of some forty-five or fifty citizens, the town council asks Mr. Ratcliff for his resignation, the News says.

The marshal has not turned in his resignation, but has issued a blue stocking order that on next Sunday and each succeeding Sunday thereafter, directing all places of business to close up tight, excepting restaurants, ice cream parlors and livery stables. In the order he specifically specifies that anybody caught selling gasoline within the corporate limits of Shirley will be arrested.

KNOW IT WELL

Familiar Features Well Known to Hundreds of Rushville Citizens

A familiar burden in many homes. The burden of a "bad back." A lame, a weak or an aching back. Often tells you of kidney ills. Doan's Kidney Pills are for weak kidneys.

Here is Rushville testimony.

Mrs. Jacob Roth, 820 N. Perkins St., Rushville, says: Doan's Kidney Pills have been used time and time again by different ones of the family and they have never failed to give perfect satisfaction. For rheumatic pains, kidney and bladder trouble, I know that Doan's Kidney Pills can be relied upon to bring almost immediate relief. I have such faith in this medicine that I never fail to speak a good word for it, whenever I hear anyone complaining of kidney trouble." (Statement given March 9, 1910.)

On Aug. 26, 1915, Mrs. Roth said: "In my opinion there is nothing better for the kidneys than Doan's Kidney Pills. I keep them in the home all the time, even though they are seldom needed. I think that they were the means of keeping one of the family alive and not only that, but I have used them with great success myself."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Roth has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement.)
